The Tech men are quite confident of making an excellent showing and hope to win the match.

SOPHOMORE BASEBALL.

The Sophomore baseball practice will be held this afternoon at the field. A short practice will be held, after which a scratch game will be held between the Oleanders and Starfish Giants. But very few more chances will be available for any working out before the first game, so that it is very essential that all those who are coming out for the team must show up today. Those that have not come out as yet but intend to must report this week at the very latest.

The showing of suits and topcoats commands attention from men who distinguish between the new and the really original and distinctive in dress.

Our Ready-to-Wear Men's Clothing bears infallible testimony to better methods of making. Unlike ordinary ready-to-wear clothing, fronts are not artificially stiffened, nor are the shoulders "filled." The soft, natural front effect is preserved.

Trousers are straight cut, in accordance with the best models.
