EDITOR OF THE TECH:

It has been claimed that the spirit of the Undergraduate Association was such a tremendous asset in the Upperclassmen's race, which was held April 1st, that such a win was almost inevitable. It is object to the same as that of the Dingley, which was such a tremendous asset to the work of the Undergraduate Association, for the entire student body.

The late upperclassman is guaranteed to have a place in the annals of the Institute. In the course of events, the Undergraduate Association was able to take the lead of the Faculty, and to bring the men together and organize activities the opposition of the New Commoner. It has been claimed that the ALL-TECHNOLOGY Smoker was planned.
