SOPHOMORES MEET FRESHMEN TODAY

Track Stated as Being in Good Condition - Close Score Expected.

The Spring meet between the Freshmen and Sophomore classes will be held on the Field this afternoon at 2 o'clock sharp. Since the admission will be free to all, a large crowd is expected to be present and to watch the interesting contest. There is considerable rivalry between both classes. The Sophomore nine started off the season by sweeping through the 145-pound class, but the Freshmen, in spite of their other inferior in the individual events, came back strong in the basketball and the cross-country run. The teams are evenly matched for the most part. The Freshmen are expected to take the first place in the run, but the Sophomores are strong in the event.

The hundred yard dash will be a real contest between Barry '15 and the two Freshmen, Adams and Loomis. Adams '15 was handicapped on account of that should both Loomis and come about tie with Barry. In the 220, Adams and Barry will fight with each other again, and it should prove to be a good match as the on Field Car between Curtis and Adams.

Harper and Rend will run against each other in the quarter, and Harper seems to be the man who will go to the tape first as he has been running steadily all season and did good work in the two mile run. Quinn will probably win the half-mile, with Hil, '15, and Dean, '16, close on his heels.

In the mile run Beaton, Wall and Gooding represent the Freshmen who will undoubtedly take first and Wall is said to be second place. Quinn will probably win the two-mile run, followed by Best, '15.

In the broad jump Ahearn seems to be favorably located, while Stimson, who won second place last year, shows no improvement in the long jump. He is now running very well, although he has a much better measure on the long jump. The lineup at the present time shows DeMerritt at first, Morse at second, Tapley at short, and Petit, '16, at catcher, and the rest of the team is not disclosed. The outfield is composed of Reason in left field, Stewart in center, and possibly the former Rindge Technical star, in right field. Burkhart is a close second to Stimson at a batter, and Darby is ready to step into Murphy's place if necessary. Games have been scheduled with Rock Ridge Hall Catholic Academy and Powder Point School, and Manager Woolley also has several more games in view besides the regular Tech-Dartmouth game, which would welcome any men who still wish to come out, especially battery candidates.

ST. ANDREW'S SERVICE

Because the third Sunday of the month is inconvenient for Tech men who wish to attend church, and also because the date of the Corporate Communion Services for the year has been fixed, the Brothers of the Brotherhood of St. Andrew to Brownsville are asked to announce that First Service will be held in Trinity Church, and all Episcopalian students at the Institute are invited to participate.

FRESHMAN DINNER IN THE UNION TONIGHT

Dean Burton, Prof. Hayward and Prof. Miller to Be Speakers.

The much-talked of and written-up freshman dinner comes off tonight at 7 o'clock in the Union. The Freshmen expect to celebrate their prospective victory over the Sophomores at this time. The Sophomore on the other hand claims that it will be a splendid opportunity for the Freshmen to come off with a team victory.

The committee thinks that it has been exceedingly fortunate in securing Dean Burton, Professor Hayward and Professor E. F. Miller to speak at the dinner. The Dean in their opinion, needs no introduction to the students, and they claim that the other two speakers will be equally good.

One article on the menu which the committee thinks will be sure to interest those who are to attend the dinner is roast chicken. Other features which, in the opinion of the committee, should be very good are "Tech Spirit," the orchestra and the cupids of the Tech songs which they intend to provide.

All the men who are freshmen who have not yet bought tickets to do so at once. These tickets may be obtained at the Union today, from 12 to 1.30 P.M. All men who have not signed up for tickets must call for them this noon, some time before 1.20 o'clock, at the Union. In case of any difficulty, if not called for within the tickets will be forfeited. The committee wishes to emphasize the fact that today is the last day to obtain tickets, as no further opportunity to do so will be given. In no way will tickets be sold at the door. The men on the waiting list who want them must obtain tickets today at 2 o'clock in the Union, and on Monday during the noon hour.

The clubs have had very good and attractive programs made and have now arranged a very fine list of speakers who are to represent the various programs to the Union. Men representing their tickets at the Union, to obtain copies of the program, beginning with today.

One of the features of the musical program will be the Tech Quartet, with the vocal quartet. This quartet in its present organization is one of the finest in the Institute. The four men have been singing together for several weeks. (Continued on Page 2.)

PRACTICE POSTPONED

Bad Weather Makes Freshman Practice Impossible.

Yesterday's Freshman baseball practice had to be postponed owing to the rain. The next practices will be held today at 4 o'clock. Despite the lack of practice the team is progressing rapidly. Smart will probably find the first game in the box, with Hough, Murphy, the quarter-back on last fall's team, and K. L. Harper in the back, were out for the position, has been very severely felt. On account of this loss Murphy had to send out a couple of substitutes, although he is much better in fielding. The lineup at the present time shows DeMerritt at first, Morse at second, Tapley at short, and Petit, '16, at catcher. The outfields is composed of Reason in left field, Stewart in center, and possibly the former Rindge Technical star, in right field. Burkhart is a close second to Stimson at a batter, and Darby is ready to step into Murphy's place if necessary. Games have been scheduled with Rock Ridge Hall Catholic Academy and Powder Point School, and Manager Woolley also has several more games in view besides the Tech-Dartmouth game, which would welcome any men who still wish to come out, especially battery candidates.

SPRING CONCERT PROGRAMS UNION 1-2

SOPHOMORES MEET FRESHMEN TODAY

Track Stated as Being in Good Condition - Close Score Expected.
