IMPORTANT SHAKE-UP IN THE 'VARITY CREW

Men Working Under Direction of Coach Stevens—Chance Good for New Men

Yesterday afternoon at 4 P.M., the Tech crew held its regular practice on the Basin. There was an important move in Varsity crew, and the following men were placed: Robertson, 1; Stearns, 2; Sibley, 3; Gorte, 4; Marlon, 5; Herkstatt, 6; Affel, 7; Herkstatt, stroke, and Macy, coxswain. The other men who reported and worked out were in the four-coxed shells: plating, stroke, Tyler, 2; Chapman, 3; Loos, coxswain, and Reisepetz, stroke.

On Monday evening, at 8.30 P.M., the members of the crew worked on the crowning machines in the H. A. A. clubhouse on Exeter street, under the direction of Coach Stevens. It is the plan to have all Prebaxen who are taking off, 9 P.M. at the clubhouse on Exeter street, at 8.30 P.M. All other men are to appear for regular practice at 4.15, at the boathouse.

Although the men who have come out for practice this year have remarkably well considering the odds against which they have been worked, there is still room for improvement. There is an excellent opportunity for all men over 149 pounds, as many fellows as possible are urged to come up for practice. At present time the crew management is making preparations for the season, and it is hoped that a large number of entries will be made. The plans have been made definite.
