The Tech Show Advisory Council conducted a series of events for the promotion of technical shows. The committee, which decided to take a request which appealed to a recent communication in THE TECH, formed a more efficient Co-operative Society. Ernest Kerr, the president of the Co-operative Society, gave the committee a list of candidates for the positions of assistants to the management. The following men were recommended for the positions: E. AV. C. Lucas '16, C. S. Makepeace, '16, Assistant C. C. Carpenter, '16, C. P. Wallis, '16, A. management. The following men considered at meetings of the committee were:
