INTERESTING TALK
TO FOREIGN STUDENTS

Latin-American Students Hear
Dr. Rua of Argentina on
American Reforms.

Friday afternoon, at 4 o'clock, Dr.
Jose M. Rua, of Argentina, addressed
a well attended meeting of Latin-
American students, men who come
from the various South and Central
American countries, and who are
studying here at the Institute. The
meeting, which was held in the Union,
was open to students from these for-
eign lands at Harvard, Boston Univer-
sity and other schools in the city. The
meeting was held under the auspices
of the T. C. A.

Dr. Rua is a professor of Biology at a
university in Buenos Ayres, Argentina,
as a delegate to the World's Student
Christian Federation Conference at
Lake Mohunk, New York State. He
has been making a tour of the eastern
part of the United States and has visited
many of the leading colleges and
universities in the East and Middle West. Recently he arrived in
Boston, and, at the request of the T.
C. A., he came to the Institute yes-
terday and spoke to the Latin-Ame-
rican students.

Dr. Rua spoke in Spanish, and in his
talk he made an urgent appeal to his
countrymen to make a study of Amer-
ican methods and problems, so that
upon their return to their respec-
tive countries they will be able to do
something useful and effective in the
many problems of evils.

He especially urged them to support
the various college Christian associa-
tions, which are at present in their
infancy in southern countries.

He also had considerable emphasis
upon the necessity of study among
American students, men who come
to this Institute from the various South
and Central American countries, and
who are studying here at the Institute.

THE TECH SHOW DINNER.
(Continued from Page 1.)

The next speaker was Larry Hart,
and after speaking of the splendid
work of those connected with the Show,
and after saying that he believed the
trip could be made a success, for the
Alumni in New York, he went on to say
that he believed the Show could do a
lot in the way of publicity.

Fidelity Manager Whitwell spoke of
those in the cast, and said that there
were many efforts to put the Show
together and to work at the first of the
year.

Menderson, one of the authors of the
show, thanked the men for their work
and their cooperation. He said that
there was excellent material for next
year's Show.

Mann, '16, got up and said that the
men wished to give something to C. P.
Platt, the stage manager. He then pre-
sented him with a gold knife and
fork.

The shingles were given out and the
men present adjourned to the room up-
stairs, where the Shedds and others
served them with some refreshments,

The Mexican, still in the losing
column, are about to issue a call for
some good men.

Nineteen hundred contestants' tix-
ties have been ordered for the Penna
relay carnival.

Did you know that the crew had a
free ride in a patrol boat the other
morning?
