HANDICAP MEET AT FIELD ON SATURDAY

Generous Handicaps to Be Given

New Men—Admission Will Be Free.

Saturday afternoon of this week, at 3:30, a handicap meet will be held at the Field. This meet is to be conducted similarly to those of last fall, and to those held in the Gym during the winter. All of the regular events will be held off, including the run, hurdles and field events.

The idea of having these handicap meets is to give the fellows on the track more experience as far as competitive races, especially the new men. Many of these boys have never had a chance to meet powerful runners, but as yet they have not awakened to that race as they have become more acclimated to real ly exert themselves and do their best. These weakly competitive races are expected to go a long way toward bringing out the best running qualities of vital and persistent student life.
