BROTHEL SUPPER.

Talk by Mr. A. B. Parsons and Dinner Last Night.

The Technology Chapter of the Brotherhood of Saint Andrew gave a supper in fine weather at the Hotel, 22 St. James Avenue. A large number of Episcopalians were present, and they thoroughly enjoyed the dinner, and the excellent talk given by Mr. A. B. Parsons after the supper. Mr. Parsons has until recently been a member of the religious center and is constantly growing in the Episcopal Church, and in his talk last evening he told the people of his work for the church. He then joined the Episcopal Church, to which he owes much of his success.

FRESHMAN BASEBALL.

Team to Play Boston Latin High This Afternoon.

The Freshman baseball team will meet the Boston Latin High School, Field this afternoon. This is the first game of the season for the Freshmen, and the school hopes to have its first victory of the season. The game will be played at the field in front of the school, and the fans are invited to attend.

SCHOLASTIC DRILL.

THIS AFTERNOON.

Nine Teams Will Compete For Prizes—M. I. T. Regiment Will Parade.

The annual Intercollegiate Prize Drill for High Schools will be held in the Armory at 2 P. M. today. Teams from seven schools in the vicinity of Boston will be represented, and besides those there will be two independent teams. The latter are composed of cadets from Boston high schools, but are allowed to represent their schools.

This contest does not take the place of the regular Freshman drill, but is really a part of it. The Regiment will give an exhibition drill, both before and after the drill, so all the M. I. T. cadets are required to be present in full uniform.

Prizes are to be awarded on the basis of individual proficiency in the manual of arms, and will be drilled together by Captain P. D. Miller of the M. I. T. Regiment. The squad the best men will be selected from will receive the prize, which will have a further test under the direction of Captain H. T. Brent, M. I. T.

The men who still show the greatest proficiency will be picked for a third squad, which will be given a final drill to pick the winner. Major L. T. Hamilton, M. I. T., will have charge of the last drill. The ends will be rated on a scale of points, the winner 8, the second 7, the third 6. The first and second teams will receive medals, and a shield will be awarded to the school whose team scores the greatest number of points.

The judges are Lieutenant T. J. Storey, President, M. I. T. Artillery Corps, and Lieutenant A. J. Pas- tin, Coast Artillery Corps, T. S. The men who still show the greatest proficiency will be picked for a third squad, which will be given a final drill to pick the winner. Major L. T. Hamilton, M. I. T., will have charge of the last drill. The ends will be rated on a scale of points, the winner 8, the second 7, the third 6. The first and second teams will receive medals, and a shield will be awarded to the school whose team scores the greatest number of points.
