NEW MILITARY CAMP SCHEME IN PROGRESS

Secretary of War Announces Plan for Betterment of Personnel.

In order to increase the present inadequate personnel of the trained military reserve of the United States by a class of men from whom, in time of a national emergency, a large proportion of the commissioned officers will probably be drawn, the Secretary of War has decided to hold two summer military camps of instruction for students of educational institutions during the coming summer vacation period. Should both camps prove a success it is intended to hold them annually, one in each of the four sections of the country.

The plan, in brief, is as follows:

(a) That their attendance at the camp will be for the entire period, uncompelled by actual necessity to leave before that time.

(b) That they will render themselves effective during the period permitted to them by the rules and regulations of military discipline, the commandant of the camp having authority to discontinue their attendance upon violation thereof.

(c) That the expense of transportation to and from camp, cost of uniforms, and allowance of $1.00 per diem 30 days.
