MECHANICAL ENGINEERS
HEAR TALK ON MILLS

Lecture on "The Modern Cotton Mill" by Mr. Reynolds

Yesterday, the members of the Mechanical Engineering Society went to the spinning and weaving machinery show held at the Lowell Manufacturing Co. For the first time in the history of the Lowell Machinery Show, all the machines and equipment were in operation and in the display buildings. The visitors were shown the latest developments in the many departments of machinery, and were given a thorough understanding of the wonderful progress that has been made in the field of mechanical engineering.

MECHANICAL ENGINEERS
MEET TO DISCUSS AUTOMOBILE EQUIPMENT

The annual meeting of the American Society of Mechanical Engineers was held yesterday at the Hotel St. James in Boston. The meeting was attended by many prominent mechanical engineers from all parts of the country. The main topic of discussion was the latest developments in automobile equipment, and the importance of using the most up-to-date equipment in the design and manufacture of automobiles.

TENNYSON TEAM TO PLAY
HARVARD AND TUFFS

More Entries For Spring Tournament
Can Begin

Despite the excellent matches played last Fall, and the success of the team in the recent tournament, the Tennyson team is still interested in the Spring tournament. More entries can be expected this year, as the team is now training harder and is determined to win the championship. The matches will be played on Saturday, May 6, at 2 p.m., at the Harvard Club.

HAMBURG CAGE AT FIELD

Installation Adds Greatly to Present Equipment

The efficiency of the technology held at Hedgefield has been augmented by the installation of a new, large, and powerful installation, which has added greatly to the present equipment. The installation is operated by the Institute men at the request of the department of the Interior, and has been installed in the field to improve the efficiency of the technology.

Bowling League

The bowling league is in full swing, and is proving to be a great success. The league has attracted many members, and the matches are being played every Saturday afternoon. The league is open to all members of the Institute, and is proving to be a great source of enjoyment and exercise.
