Dinner to New Men Saturday

The Tech gives Annual Banquet—Many Prominent Men To Speak.

"On Saturday evening of this week will occur the annual dinner to the Freshmen given by THE TECH. This affair has always been one of great interest to the new men for it gives them an excellent chance to get together socially for the first time as a class. They are also given the chance to hear many interesting facts about student activities at the Institute, for the heads of all the big activities will be there and each will have a speach.

This occasion should be one that is attended by every freshman, for in no other way can he get an satisfactory knowledge of the Institute ways than by hearing the various discourses and talking over by some of her most prominent Faculty members and undergraduates. Among the speakers will be Coach Kanyal, who will tell the men about the track team and the prospects for the year.

Mr. Cokon, of the Union dining room will provide the dinner for twenty-five cents per man, and tickets will be on sale at the freshman meeting, which takes place this noon at THE TECH offices, and the Cage all during the week. The Tech has made every arrangement for a large majority of the entering class to attend this dinner, and the General Manager Taylor of THE TECH has expressed a great hope that every freshman will make a sincere effort to be there.

Freshmen Meet Today.

It has been announced that Secretary Merrill of the Faculty will address all the men in Huntington Hall at one o'clock today. This is one of the important events of the year for the entering class and every man is expected to attend. Technology spirit flows high and each man is given a keen appreciation of the aims and ideals of Technology.

Harvey Benson Married.

Harvey S. Benson '12, married on September 6 to Miss Vera M. Legg of Westley. While at Tech he was very prominent on the track team, being manager of the team his senior year, and captain of the cross-country team at the same time. He is a cousin of H. S. Benson '16, one of the stars of the present cross-country team.

Candidates for the Tech.

Meeting This Afternoon at 4.15 in Lower Office.

The first meeting of candidates for all departments of THE TECH will be held this afternoon at 4.15 in the lower office. Candidates will be notified that the men make an early start in order that they may be in line for the first election to the various staffs by November 30th.

The Tech gives Annual Banquet.

The Tech will give its annual banquet at 6.30 in Union Saturday and many prominent men will speak at the dinner.

First Call for Track Candidates.

Cross-Country Team Already at Work—Sophomores Start Relay Practice.

Now that registration duties are practically over Coach Kanyal expects all track men to report at once. Captain Guething and Coach Kanyal plan to have all men who intend to be candidates for the track team start active work now. By doing cross-country work this fall or running on the class relay teams the men can gradually work into shape so that when the indoor work begins they will be able to make their best showing.

Last year was a very successful one for Technology in relay work, largely due to the poor condition of some of the men. With this in mind Captain Guething is preparing for the future, realizing that if Technology is to have a winning team this winter the men must begin at once to condition for the hard indoor season.

With Captain Nye once more at the head the cross-country team is already in training and the prospects of finishing well among the leaders in the I. C. A. All-A. A. A. championship run is brighter than for some time past. Several good men have been lost, but others are improving to take their places. H. S. Benson '16 is back at school and is expected to be one of the mainstays of the team.

The Sophomores have already begun relay work, and with Adams, Loomis, Jones, Reed, Lister and several others as a foundation the team made by (Continued to Page 3, Col. 2.)

Institute Committee.

The first regular meeting of the Institute Committee will be held Wednesday afternoon at 4.30 o'clock in Room 8 of Engineering C. All the members of last year's Committee are expected to attend this meeting as several matters of considerable importance are to be brought up at this time. All places made vacant by graduation, on existing Committee, will be filled and any business left over from last year will be finished up.

Betta Chapter at Tech.

The national fraternity of Beta Theta Pi, at the 1913 convention, granted the petition of the Kappa Theta fraternity formerly a local at the Institute, establishing them as Beta's 75th chapter. The chapter was formally installed last Saturday, the proceedings being held at the chapter house and in Huntington Chambers Hall, where a crowd of 200 Betas and delegates from the New England chapters and alumni from the country at large gathered to welcome the new chapter.
