NEW CONSTITUTION TO BE TRIED OUT THIS YEAR

Undergraduates and Institute Committee to Test New Plan for Student Government.

To many at the Institute, and especially to the freshmen, the fact that every student is a member of the Undergraduate Association is difficult of comprehension. The governing body of this Association—(Continued on Page 4.)

CROSS COUNTRY WORK

(Continued from page 1.)
may also award the "T" to the first and second in a Dual, and first, second and third in a Triangular Intercollegiate Cross Country run.

The program this season for the Cross Country team has been arranged by Manager Thomas as follows:

With Howdold, either November 7th (Final Day), at Boston, or November 8th, at Brunswick, Me.

November 15th, the N. E. Intercollegiate A. A. Cross Country run, at Hanover, N. H.

If the team shows up well in these two runs it will be sent to the Intercollegiate A. A. A. Cross Country run on November 23rd. This matters rests with the Advisory Council on Athletics.

The team will be under the immediate supervision of Mr. Frank M. Kanaly, Athletic Director. All men are urged to come out for it. At Harvard sixty men are out for the team and at Dartmouth over forty, and it is expected that these squads will be augmented in number.

M. I. T. has always stood strong on cross country running and a great deal of its development is due to the Hare and Hounds runs, which are held every Saturday and which are really easy walks and runs over courses, and are not strenuous at all to the participants, but give a man a chance to do a little exercising once a week at least in the open air.

The first Hare and Hounds and Cross Country run will be held on Saturday, October 4th, at Newton. The men will meet at the Trinity Place Station and take the 2.05 train for Newton. The run will start from the Newton Y. M. C. A. and will be over a fine course and will be very slow so that new men will have no difficulty in keeping up. Upon the return to the Y. M. C. A. the men will be given the use of the swimming tank.

PHI KAPPA PSI—Members in the Institute are requested to send their names to Geo. W. Simmons, Jr., 17 Cumberland St., Boston.

FOUND AT SUMMER CAMP.

One pipe, 1 cuff link, 1 folding drinking cup, 1 button hook, 1 steel r.e, pair of glasses in case. The articles enumerated above have been found at the Summer Camp, East Machias, Maine. Owners of same may obtain them at the office of the Superintendent of Buildings and Power, 26 Trinity Place.
