MORE TRACK MEN NEEDED
FOR INSTITUTE TEAMS

Captain Guething Makes a Call For
Men For Indoor Relay Teams.

Candidates for the Sophomore and
Freshman Relay teams have turned out
in fairly good numbers, although there
is still a great need for more men. The
Sophomores are few in number, but
those that are out, are working hard
to turn out a team which will be able
to lower the record of 4 minutes, 27
and 5 seconds, held by the class of
Mr. Kavanagh.

Captain Guething is very anxious to
see more of the regular track men out
for practice. So far but few of these
men have turned out, and Coach
McNally desires to pick the indoor relay
teams as early as possible, the prelimin-
ary practice at this season of the year
being very advantageous to every man.

The regular Fall Interclass Handicap
Meet will be held either October 25 or
November 1, and Mr. Kavanagh is at
the field every afternoon to coach the men.

T. C. A. SOCIAL WORK

Hughes, '15, Outlines Plans For
Settlement Classes.

The T. C. A. is to continue the work
in social service which it has
executed in the past. Plans
for the season were outlined last
afternoon at the meeting of T. C. A.
Advisors by David M. Hughes, '15,
who will have immediate charge of
the work.

The work consists in teaching
classes in the Italian settlement at 307
North street. There will be classes in
English, and instruction will prob-
el.y be given in civics also. The
latter is intended for foreigners who
have already taken out their first int-
neralization papers.

Although the teaching is being un-
taken by the T. C. A., the Boston
Y. M. C. A. will have general supervi-
sion over the classes. Last year the
Tech social service workers did not
accomplish as much as they might have,
on account of failure of those in charge at the Y. M. C. A. to attend properly to the work. This year,
however, Mr. Claghorn, head of the
Y. M. C. A. social work, is in charge
of the work. The T. C. A. offi-
cers consider this a gratifying show-
fing, but there will probably be an
opening for several more men.

FRESHMAN TUG-OF-WAR

The 1917 tug-of-war team is prac-
ticing every day at the gym. As yet
but few men have shown up
for practice. There is a good chance
for twenty-eight freshmen to win their
numerals on Field Day if a better team
than the Sophomores turn out can be
put together. The numerals are
awarded to the twenty-five men that pull,
and the numerals on Field Day if a better team

accomplish as much as they might have,

however, Mr. Claghorn, head of the

and no trouble is anticipated.

In the absence of one talk Mr. Hughes called for volunteers from the students. Up to now six men
have responded. The T. C. A. offi-
cers consider this a gratifying show-
fing, but there will probably be an
opening for several more men.
