THE TECH AND WALKER CLUBS RECEIVE COLLEGE MEN

Successful Entertainment Given at Technology Club — Good Speeches

The reception given yesterday evening by the Walker and Technology Clubs to members from other colleges at the Institute was attended by at least a hundred guests, besides about fifty of the club members. At 8:30 E. L. Snow, president of the Walker Club, opened the evening with a short address of welcome and explained the nature and purpose of the Walker Club. He then introduced Professor C. W. Doten, vice-president of the Technology Club, who gave a short talk, setting forth the advantages of the club and extending a cordial invitation to the new men to join.

Dean Barston was then called upon for a short address, which was received with the usual enthusiasm, after which Professor Arlo Bates then spoke at slightly greater length and with his usual humor. The men then adjourned to the dining room to partake of some light refreshments and to get acquainted.

WRESTLING SQUAD
Freshmen Should Come Out For Practice At Once.

The Institute Wrestling Team is again looking forward to another season as successful as last year. A large number of last year's team is back and several of the substitutes also. The men are already practicing every afternoon at the Gym from 4 to 6. The Freshmen this year will not be allowed to substitute wrestling for gym work unless they make good or show interest. Smythe-Martin, the wrestling team manager, advises all Freshmen who intend to substitute wrestling for gym work to come out at the present time so that their chances of remaining on the squad will be better.

The Varsity schedule has not been arranged as yet, owing to the fact that the other teams and clubs have not started to make up theirs.
