Wellesley Defeats Sophomores 21 to 0

Lack of practice large factor in Tech's loss--Game fast and interesting.

Yesterday afternoon the Sophomore football team was defeated by Wellesley by a score of 21 to 0. For 1916 Hill and Miller played exceptionally strong defense, while Wellesley, however, made several good gains on the offense. Petit played a star game in the backfield until he was forced to leave the game in the fourth quarter. Hatch and Pinney started for Wellesley.

Tech Club has been represented in competition. In the Varsity track team.

1917 Track Squad

More track men needed to make up good squad.

Very poor showing has been made by the 1917 Relay Team as compared with that made last year by 1916, and with the showing that is being made by the football squad this year. Last year there was a squad of fifty to sixty men, while this year less than sixty are on hand. The trials are going to be held on the track today. The team will be chosen from those who have been on the track and all those who have been on the football team and all who have been on the basketball team.

The orders for pins and shingles will be closed on Wednesday. All paid members of the Society are entitled to pins. Orders accompanied by 25 cent deposit in a sealed envelope addressed to E. E. Society, will be left with Miss Payson in Room 14 Lowell. Full initial and class initials are absolutely necessary. Members of the Society from the Junior and Senior classes who have not given orders for shingles may apply to the Secretary. On Thursday a list will be posted of those who have ordered pins and shingles. Those who have ordered pins should check this list before the pins are delivered. All members of the Society are entitled to membership in the Society.

The Cosmopolitan Club will hold a business meeting tomorrow afternoon. A good number of members is expected to attend and the officers of the Club desire the members to be present if possible. To be held Wednesday evening--business meeting after.

Tonight at 5 o'clock the Catholic Club will hold its first informal dinner of the season. Dean Burton will be the principal speaker of the evening. Father Scanlon, the spiritual director of the club, will also be on hand to give a short talk. Both are very interesting speakers as is well known by all who have heard them.

After supper a business meeting will be held. At this meeting a memorial will be voted for the building. The dinner will be given primarily in honor of Father Scanlon.

TECH MAN IN REGATTA

Among the entrants in the Charles River Regatta yesterday was F. C. Clancy '13, who in the Junior single scull event took seventh place in a field composed of the best amateur scullers in New England.

The entrance of a man from the Boat Club is significant in that it marks the first time that the Boat Club has been represented in contests outside of the Institute.
