**FALL HANDICAP MEET POSTPONED**

Wet Track Prevents Annual Event—
Date To Be Set Next Week—
More Entries Wanted

The Annual Fall Handicap Meet which was to have taken place at the Field on Saturday afternoon was postponed because of the poor condition of the track caused by the all day drizzper. The meet will be run off in the immediate future, and the exact date will be decided upon the first part of this week by Coach Knaply and "Bud" Thomas. The meet may not be "pulled off" on one day, but rather on two or three afternoons.

Since the preliminary meet of last week things have been "humming" at the Field, and the daily practice of the candidates for the Freshmen and Sophomore teams has gradually turned the attention of the students toward the major sport at the Institute. The Varsity teams will be well represented in the meets of this year, and the outlook for the one and two mile relay teams is particularly bright. The majority of the men on these teams have returned to school, and many promising candidates may be drawn from the new candidates who are seen daily at the track.

In the duals Technology will be well represented by L. A. Wilson, H. S. Wilkins, C. W. Loomis, and Winton, the Freshman star of last week's meet. Winton comes from Exeter Academy, where he was captain of the hockey team, and prominent on the track.
