SOPHOMORE FOOTBALL
WEAK IN TEAM WORK

Individual Work Brilliant in Parts—
Men Do Not Play Together.

Yesterday the Sophomore Football
Team had a scrimmage game with
Cambridge Latin. The Sophomores
were worsted by about two touch-
downs to one. Although the individ-
ual playing was of a better grade,
there seems to be a decided lack of
team work. The centre of the line
is very weak and the backfield work is
ragged. The whole trouble seems to
be in a lack of practice together.

Today practice is at the Oval, and
the manager hopes that all will re-
port. Thursday the team will meet
E. H. S. in a practice game at the
Old South End grounds of the Boston
National Team.

SOPHOMORE-JUNIOR RELAY RACE

The 1916 Relay Team is working
out steadily and looks like a promis-
cing crowd for Field Day. There are
a few men that were on the
team last year that have been
improving considerably and ought
to show up well in the race. The men
at present are practising short
and long dashes as well as flag passing,
in which they have become very pro-
ficient. This afternoon all the 1915 Relay
men are to be at the Field at 4.30
as a practice race against 1916 is to
be run.

Yesterday the 1917 Relay Team
split up into two teams and had a
regular 220-yard relay race.

MANDOLIN CLUB TOMORROW
Coach To Be Present And Fine To
Be Imposed For Absence.

Attention is called to the fact that
Coach Lansing will be present at the
rehearsal this Thursday, and that
the fine for absence from such a rehearsal
is 75 cents. The music for a new pop-
ular number will be given out and
new strings issued to those who have
paid their dues. It is essential that all
dues be paid by Thursday.

The date of the Winter Concert has been set
for December 16, at Copley Hall. The
members of the Club will be in the hands of
members of the Club at an early date.

ALTERNATIONS OF SECOND-
HAND UNIFORMS

A representative of the uniform
contractors will be at the Armory
during the Wednesday drill periods,
Oct. 22 and Oct. 29, to take charge of
all parts of uniforms requiring al-
teration as to fit or ornamentation.
Students are at liberty to have the
work done anywhere providing it is
done properly but arrangement has
been made to have this work done
by the contractor at rates which are
reasonable and probably cheaper
than those charged elsewhere. This
work should be attended to at once
as when the new uniforms arrive the
workmen will have all their time oc-
tupied by work on them and excuses
will not be accepted for work de-
layed through carelessness. The ad-
dress of the tailor employed for this
work is James Gremaux, No. 27
Causeway St. You can go there, but
will save trouble by turning in the
articles at the Armory not later than
October 26th, and better still on the
22d.
