SOPHOMORES BREAK RELAY RECORD

Freshmen Defeitively Defeated In Record-Breaking Time Of 4:20 2-2.

The Sophomore Relay Team defeated the Freshman Team in the race run yesterday afternoon. The Sophomore above were very confident and sure of a victory ever since practice began, so that their victory surprised no one. However, both teams ran in very fast time. The Freshman team was fully as fast as the 1915 team of last year. The Sophomores finished in the record-breaking time of 4 min., 50 2-5 sec. This lowered the record set last year by exactly seven seconds.

The Sophomores took the lead at the start and were ahead throughout the race. The passing of both teams was very good except for one or two bad

TECHNOLOGY WINS CROSS-COUNTRY RACE

Cook Star Of Run—Fast Times And Good Team Work A Feature.

Yesterday the Cross-Country Team swamped Holy Cross by the score of 23 to 6, scoring five men before the first Worcester runner crossed the line. 

Cook, the individual winner of the race, showed excellent form, finishing in the very last time of 22 minutes and 45 2-5 seconds. He has been showing great possibilities right along and running a consistent second and third on the team. Yesterday's performance makes the hopes of Technology for the Intercollegiate high as he and Benson are both in good trim. Benson, after tubing most of the way at a fast clip, went into the lead with cramps on the Field and fell back to

FOOTBALL GAME IS SIX TO SIX TIE

Miller '16 And Gould '17 Star—Many Fumbles Mar The Contest.

The two football teams struggled four full periods of clean hard playing to a 5-5 tie. Both teams appeared slightly nervous at first and fumbles were frequent. Later fumbles occurred less often and the game was handled more cleanly. The Sophomores tore the 1917 line to pieces at the start of the game and Miller got the ball out at the extreme edge of the field. This made a punt-out necessary, and Miller caught the ball, but allowed it to touch the ground. No attempt at a goal was permitted.

The Freshmen then found themselves and began to take the offensive. They rushed the ends and tried several forward passes successfully. Gould and Winston made long runs and the latter finally plunged ten yards to the Sophomore two-yard line. Farnsworth then carried the ball over. After the relay race had been run and the 1917 men played desperately, realizing that they must take the game to the win the day. But their forward passing was incorrect and they were unable to put the ball across. Miller, Dewson, Krigger and Nye played exceptionally well for the Sophomores, while Gould played brilliantly for the Freshmen. Winston also put up a strong game, especially on the defense.

SOPHOMORE NOMINATIONS

(Nominations for 1916 Class officers are now being tabulated by the officers of the Class Association. All nominations must be signed and submitted to the Class of 1916 Association. All nominations will be counted at 10 a.m. on November 15, at 4 o'clock in the President's office.)

ROOFLING' WINNING 1917 TUG-OF-WAR TEAM

At 2:30 sharp the two Tug-Of-War teams ran out on the Field amid the cheers of their classmates. The Sophomores and Freshmen both wore gray jerseys, while the 1916 men had the north end of the Field and 1917 the south. Both teams waited expectantly for the shot that was to open the 13th annual Field Day.

At 2:24 the shot was fired and both teams hitched back with a force that well stretched the rope. Quickly it was seen that the Sophomores had the drop on the less experienced men. It took but very short time, however, for the rope to quiet down and it gradually stood still with the 1916 men about a yard in the lead. For the first few moments the utmost efforts of each side were of no avail. Soon, however, the 1917 men began to gain and slowly, steadily, and surely the Sophomores were pulled to the south end of the Field.

IMMEDIATELY after the Race the two teams appeared again, 1916 determined to get the better of 1917. This time the order of the two teams was reversed, the Sophs taking the south side and the Freshmen the north. Both the teams were a little over hasty to get the drop, so considerable jockeying resulted. On the drop it was again seen that the Sophs had the advantage for they gained about two yards. Gradually the Freshmen seemed to gain strength and again it was only a matter of a short time before the 1916 men were being dragged along. There was still fighting blood in the 1916 men, but good even counting on the younger men's part enabled them to gain momentum, and the Sophomores lost the last and final pull in the time of 2 min. and 10 sec.

WINNING 1917 TUG-OF-WAR TEAM

joy punted. Winton made 10 yards and immediately repeated. With the ball on the two-yard line O'Brien sent in orders for Kaula to go through center and the latter did so, tyng the score. Farnsworth failed on an attempt to kick the goal. Score: Sophomores 5, Freshmen 0. Sixteen kicked off again, the ball going only about 20 yards. Thompson fumbled and Stowell recovered. Hobbit was injured and was replaced by Hefi. Simpson went in at quarterback for '16, just as the quarter ended with the ball on the 19's 40-yard line. Jewett kicked off 6 yards on a fake kick around left end, but the next play of '16 held the Sophomores for downs. Winton made 10 yards around end and Gould made 5 more and the center. Thompson made a slight gain and Gould again made five through tackle. Farnsworth failed on an attempt to kick the goal. Score: Sophomores 6, Freshmen 0. '17 kicked off to Krigger, 15 yards. Simpson went through tackle for 15 yards. Krigger failed to gain and Simpson fumbled, but recovered. On another attempt Winton threw Simpson for a 5-yard loss, after which Love
