On Wednesday, Dec. 3, at 4 o'clock the Mechanical Engineering Society will hold a meeting in Eng. D, as which Mr. E. B. Germain of the Abberthaw Construction Co. will give a talk on "The Building of a Concrete Structure in Practice. Special reference will be made to the new oil and Davis factory which has just been completed by this Company.

Mr. Germain, who graduated from the Institute last year, is well known among the students here. He was captain of the Track Team, was a member of the Senior Class Day Committee, and held various other offices of importance during his stay at the Institute. He has an excellent position with the Abberthaw Construction Company and is well prepared to make his subject of interest to all the members of the Society.

At this meeting the recommendation of the Governing Board concerning the extension of membership privileges to Sophomores the first term will be acted upon.

**T. C. A. SPEAKER**

The Rev. Mr. A. A. Stockdale To Speak Thursday.

The Rev. Mr. Allan A. Stockdale, of the Union Congregational Church on Columbus Ave., will be the speaker at the next T. C. A. meeting in the Union on Thursday, Mr. Stockdale, who has spoken to the Tech students on several occasions and who is by no means unknown to Tech, will attempt to make your talk interesting and probably for the last time at Thursday's meeting. He has resigned his position as pastor of the Union Congregational Church to accept a call from a church in his home state. The exact nature of this talk will be announced later in THE TECH.
