Interesting Statistics And Changes In Institute System.

The catalogue of the Institute has just been received from the press, and it shows, besides an increase in the register of students, several changes in system and some also in the courses. The catalogue shows an enrollment of 1063 students, the largest number in the history of the Insti-
tute. Last year there were 1061 men at the institute, a difference from the-
year of 74. One non-existent fellow-
ship and four candidates each for the de-
grees of Doctor of Engineering and Doctor of Philosophy are entered. There are 31 candidates for Master of Science as against 26 in 1912, and 245 graduate students as against 220 last year. The special students are greater-
in number, this year in compari-
son to 42 a year ago.

The catalogue shows that there are 286 Seniors at the Institute. Last year's third class numbered 200. There also shows that a larger num-
ber of students returned to complete their courses; ninety-seven per cent of last year's Techmen have returned, with enough students from other colleges to increase the number by sixteen. The same, practically holds true of the third-year class, which now num-
bers nineteen more than it did last year. The Freshman class numbers 415, a number larger than last year's.

The catalogue just issued inaugu-
rates a new plan in the numbering of the courses of study. Each main course or department is numbered as
the courses of study. Each main
course or department is numbered as
the courses of study. Each main

CATHOLIC CLUB DINNER
Rv. Francis Murphy Will Address Meeting Tonight.

The Catholic Club is to have one of its regular meetings tonight in the Union. There will be a dinner at 6 o'clock, after which the Rev. Francis Murphy will speak. A short entertain-
ment will be given later on in the evening.

The Rev. Francis Murphy comes from the St. Francis de Sales Church, Roxbury. His subject is "The Church in Italy," a very interesting topic, and one on which he is well fitted to speak.

WINTER CONCERT

The tickets for the Winter Concert, which will be held at the Copley Hall on December 16, are now on sale, and may be obtained from the members of the Concert Committee. These tickets may be exchanged for a reserved seat on December 16. The tickets are a dollar and a half each, which is lower than has been the custom in previous years.

BOSTON, MASS., WEDNESDAY, DECEMBER 3, 1913.

PRICE TWO CENTS

FREDERICK L. COOK IS
ELECTED C. C. CAPTAIN.

This Year's Star Runner To Lead
Teams-1914 Prospects Bright.

Yesterday evening Captain A. F. Xuee of the Cross-Country Team gave the members of the team a dinner, after which the election of the next
year's Captain was held. Frederick L. Cook '15 was unanimously elected. Cook comes from Huntsville, Me. After going through the schools there, he went to High School in Falmouth; for a year. Before entering Tech. he never did any running with the team, except the exception of a half mile race at High school. In his first year Cook only entered the freshman-cross-country race, and, without any substantial pre-
liminary work, finished sixth. This year he is expected to finish fifth. It was only then that the members of the Track Team pro-

F. L. COOK, '15.

REGISTRAR HUMPHREYS ON SCHOOL COMMITTEE.

Town of Brookline Elects Institute Man To Fill Vacancy On School Board.

That the various men on the Fac-
tory at the Institute do not confine their work entirely to the demandl of Technology is shown by the election of Mr. Walter Humphreys, the registrar to the School Board of Brookline. Mr. Humphreys was
dected to succeed Mr. Howard Whitic, who called the vacancy on the select-
committee by his removal from Brook-

Register.

Humphreys is a Tech-
mester, and graduated from the Insti-
tute with the class of 97. Course II.

He spent two years engaged in pub-
lished work, then returned to the Institute to become registrar to the Sec-

RIdent of the Faculty. The latter position was held by Dr. T. L. Hill at that time. In 1902, Mr. Humphreys was appointed Registrar, and in 1911 his title was changed to Registrar and Recordier. During the last six years, Mr. Humphreys has been in-
structor in the Mechnical Engineering

Department, and has been teach-
ing Mechanism.

PORTFOLIO COMMITTEE

Nominations Opened Thursday-Technique May Include Portfolio.

Nominations for members of the Senior Portfolio Committe will be received at the Cage between Thursday, December 4, and Thursday, Dec-
ember 11. The Committee will be composed of five men, who will be elected by the class. In former years the Portfolio has been a separate book, but it is proposed this year to incor-
porate it with Technique. This ques-
tion will be decided by the class, and in the event of a decision against hav-
ing a separate book the committee will co-operate with Technique.

The petitions for nominations must be signed by ten men who have paid their class dues, and should be ad-
ressed to the Senior Portfolio Elec-
tion Committee.

CERCLE FRANCAISE

All men who were members of the Cercle Francaise last year are invited to meet in Room 3 of the Union Frid-
ay, December 5, at 7 P. M. Nov-

men who desire to become members are also invited. At this time the election of officers for the current year will be taken up. There will al-
so be a discussion of a change in the pol-
icy of the Cercle.

DEAN BURTON TO SPEAK

Dean Burton will be one of the speakers at the dinner of the Franklin High School Association this even-
ing. The dinner will be held at the Copley Plaza Hotel.
