HOCKEY PRACTICE

Large Number Out—Date of Harvard Game Changed.

Thirty-five hockey candidates attended the first practice of the season which was held in the Arena last night. All of the men were tried out and most of them showed up well. The first part of the practice consisted of the rushing of the puck by the forwards against the defense, new sets of players being put in every two rushes. During the last of the hour, a practice game was held with the Pilgrim A. A. Different men were put in at short intervals so that every man on the squad had a chance in the game. Three new men, E. E. Richardson '17, A. P. Farnsworth '17 and Proctor '17 joined the squad last night. If the men continue to show up well, a game with the Tufts team may be arranged for next Saturday night. The Harvard game has been postponed until December 19, to avoid conflicting with the Junior dinner.
