TWO TRIPS THIS WEEK FOR THE ELECTRICALS

Mid-Year Trip Arranged With The Assistance Of Faculty Members

Two trips to the plant of the General Electric Company are planned by the Electrical Engineering Society for the present week: one for Wednesday and one for Friday afternoon. Because of the great length of time required to reach Lynn, this trip will be necessary for the men who go to leave early, and arrangements have been made for a start at 12:35 sharp in the afternoon. The sign-up sheet is posted on the Society's bulletin board in Lowell. The parties will assemble in the Electrical Library in Lowell. As the mid-year trip is not to include Schenectady, the officers feel that it is important for all men who wish to see a General Electric plant to go on one of those excursions.

The mid-year tour is now practically a certainty, according to a statement issued to THE TECH yesterday by President Richmond; formerly men have signed up early and more are expected to do so. Of these, thirty are Seniors, fifteen Juniors and five Sophomores. The committee in charge of the trip is hoping that so far as the Juniors and Sophomores are concerned, the trip is the same one that has been announced for Wednesday, December 9th.

Nominations For Committee Now Open And Are Due Saturday.

Nominations for the Junior Prom Committee are due Thursday, December 11th. It is expected that twenty more men will sign up. The faculty will appreciate their aid in the planning of the trip and it is sincerely hoped that all who have a social gathering than those which have been attained, the committee hopes that every man will be on time.

SENIOR PORTFOLIO

Nominations for the Senior Portfolio Committee are due Thursday, January 15th. Up to date, only two nominations have been handed in. They are for a committee of five men, and the committee feels that the importance and necessity of the portfolio must have been lost sight of entirely, as the interest shown has been so slight.

LYRIC COMPETITION

Completed Verses Must Be Hande in Before 4 O'clock Today.

The lyric competition of the show closes this afternoon at four o'clock. By that time all competitors must have handed in their completed verses at the office of the Show. It will be impossible for the results of the contest to be made known as early as was hoped for, because of the fact that Coach Sanger is now in New York and that the entries will be turned in at once, and those accepted should be in Boston by Saturday.

The music committee of the show next week—probably by Thursday—will be held in THE TECH.

REV. MR. S. G. TRELIXER

The Rev. Mr. S. G. Trexler, of New York, the student pastor of the Luther Church, will be in residence at the Union to address the students of the Lutheran faith. Mr. Trexler was at the Institute on a similar mission last year, and many of the students called at the office to meet him.

CERCLE FRANCAIS MEETS THIS EVENING

Gathering Will Be So Arranged As Not To Break Up Friday.

At eight o'clock this evening the Cercle Francais will hold a short session in Room A of the Union. As was planned for the previous meeting last Friday, this will be more like a social gathering than those which the Cercle has held in the past, and it is hoped that as many as possible will attend. Men who have not yet come out are invited to do so at this time, and to bring with them ideas for the conduct of the club. The officers consider that the discussion during gatherings is endeavoring to make them as varied and as interesting as it can, and desires, with this end in view, suggestions from every member. One of the matters considered at the present meeting will be five topics and new ideas for the next and every man will be called upon for his opinion. Suggestions will be wanted for the book which is to be used at the next meeting.

The time for the meeting will be limited, so that all who wish to do so may study before and after it without a serious break in the evening. In order that these discussion gatherings may be as informal as possible, the committee hopes that every man will be on time.

SOUTHERN CLUB DINNER AT COLEY PLAZA

Reception Precedes Affair—Ladies Of Faculty Are Invited.

The Technology Southern Club held a very successful dinner last evening at the Copley Plaza Hotel. Over fifty couples were in attendance. At eight o'clock a reception was held, lasting until nine, at which time the dinner itself began. This arrangement was made in order that that fraternity men could attend their committee meetings without missing the affair. The Club secured the regular dancing saloon of the hotel, and in addition to it the refreshment room. The two were thrown into one, and the whole beautifully decorated.

The dinner in the Common Room was served at 1.25, in order to meet any students who may have been for a start at 1.25 sharp in the afternoon. The sign-up sheet is posted on the Society's bulletin board in Lowell. The parties will assemble in the Electrical Library in Lowell. As the mid-year trip is not to include Schenectady, the officers feel that it is important for all men who wish to see a General Electric plant to go on one of those excursions.
