PILGRIM HOCKEY TEAM DEFEATS TECHNOLOGY

Team Work Poor At First But Improves Later—Macleod Stars.

The hockey game last night between the Pilgrim A. C. and Tech resulted in the defeat of the latter by a score of 13 to 3. There were three fifteen minute periods, the first of which was characterized by a decided lack of team work, due to the absence of players which the men have had so far this season. Several brilliant individual efforts were made by Fletcher, Walker, and Captain Macleod featured this part however. At the end of this period Tech was still unassailed, 5 to 0. During the second period the team work of the M. I. T. team picked up markedly, and three goals were scored, two by Macleod and one by Winston. The latter scored after some pretty passwork by Wakefield and Capt. Macleod. For the Pilgrims, Captain Fyman started the score. The final score was 13 to 4.

CADET OFFICERS ORGANIZE

Adopt Constitution And Elect Officers—To Give Dance.

Yesterday afternoon after drill the officers of the M. I. T. Regiment gathered at one side of the Armory and organized an Officers Club. Last year a club was formed and a constitution adopted, although they never met, and giving a dance, but little was done. The object of the club, which is known as "The Officers Club of the M. I. T. Corps Cadets," is to be both military and social, for at the meetings it is intended to have, besides the regular business, some discussion which will further the military knowledge of its members. The dues are to be fifty cents per month.

The meeting was called to order by Colored Hamilton and Lieut. A. C. Lasher was elected temporary secretary. Last year's constitution as drawn up by the previous club was read, and after some debate adopted. The old by-laws were then read, and were also adopted. The election of permanent officers followed, the results of which were: President, Colored L. F. Hamilton; Vice-President, H. G. Storke, Senior Captain; Secretary-Treasurer, Lieut. A. C. Lasher. The magazine was then adjourned for three minutes while the Freshman "awkward" squad nosily returned their rifles to the gun racks.

The desirability of business motion was made and adopted to have a program committee of three men appointed at any time. Maj. Col. E. W. Taylor, last year's colored Adjutant, was elected President. Major Col. E. W. Taylor, last year's colored Adjutant to Maj. Col. E. W. Taylor, was elected honorary members of the club.

The election of Freshman members was next taken up, and it was decided to admit them as associate non-voting members at full dues. This was so as to admit Freshmen.
