The preliminary trials for the relay teams will be held on this Saturday and on Wednesday of next week Saturday all men will take the 300 yard trials on the Oval if weather conditions permit, otherwise in the Gym. The 700 trials will be run off on the following Wednesday.

Conditions look fairly good for the relay teams, the management says. There are 58 men out for track, but a large percentage are Freshmen who do not stand much show in the trials. However, most of last year’s teams are back in school, although some of the members have not been out much this year. Coach Knowles thinks that these men if they come out would stand a very good chance of making the team and probably raise the standard quite appreciably.
