**MAT PRACTICE DAILY**

Wrestling Team is Getting In Shape For The Brown Meet.

Stiff practice is being held every afternoon by the wrestling squad as Captain Kelly is now preparing for the big events of the season. With the Brown meet a week from next Saturday and the Harvard meet hardly a month away, the men have plenty of work ahead of them.

Means, the 125-pound varsity man is now unable to practice owing to a sprained ankle which was done during the meet with Boston two weeks ago. At present it is not known how long this will keep him off the mat. Treat of the 145-pound class, who has been greatly bothered by an injured rib, is now much improved.

Captain Kelly has a new scheme for strengthening his team and has set a few of his 135-pounders to starve themselves down to 125 pounds. The latter class is weak, especially so since the loss of Means, and the new men are needed.

Tickets for the meet with Brown are going fast, but there is still a chance for those who have not yet obtained theirs. They may be procured from almost any member of the team or at the Cage.

**SOPHOMORE PIPES**

The members of the 1916 Pipe Committee will meet those desirous of purchasing class pipes in the Union from 1 until 2 and from 4 until 6 on Thursday and Friday, and from 1 until 2 on Saturday of this week.

The price of the pipe is $2.50 for every style. No order will be taken without the deposit of $1.50, the balance to be paid when the pipe is delivered.

**FLASHLIGHTS TAKEN**

Pictures Taken Of The Cadets For the Boston Herald.

Wednesday afternoon three flashlight pictures of the cadets were taken at the armory. The first was of one of the battalions, another of a company and a third was a group of the officers. The company posed for their picture with the front rank proceeding and the rear rank standing behind. Both ranks held their guns in the position of aim.

The ten-inch disappearing gun was then elevated and the officers of the two battalions arranged themselves in front for their picture. The flashlight was taken for the Boston Sunday Herald and will be run with an article upon the cadets in the Sunday supplement either next Sunday or the week after.

**CORPORATION MEETING**

(Continued from page 1)
at the dinner of January 10, where he and Martin Egan are to be honored guests.

Charges in the instructing staff effected by the Corporation since the beginning of the term have been the appointment of Dr. H. O. Taylor to be Research Associate in the Research Laboratory of Electrical Engineering, and Francis Byron Morton, S., B., M. I. T., '13, to be assistant in Physics, in place of F. T. Hunt, resigned.

**FACULTY NOTICE**

The Political Economy exercises will not be given between December 29th and January 3d, inclusive.

**ALUMNI ASSOCIATION**

Tech Alumni Elect Officers—Other Business Transacted.

The election of officers by the Alumni Association of the Massachusetts Institute of Technology has resulted in the following board: President, Jasper Whitney '89, of Boston; Vice-Presidents, Henry J. Horn '86, of New Haven; Secretary and Treasurer, Walter Humphrey '78, of Brooklyn; Executive Committee: Joseph H. Knight '96, James F. McElwain '97, and Herbert H. Dawes '93, of Boston; for Representatives-at-large, Franklin B. Richards '94, of Cleveland; Charles W. Eaton '83, of H针对; Frank M. Merrill '87, of Boston; George C. Whipple '89, of New York; and Sumner B. By '92, of Pittsburg. Three amendments to the constitution, which create the class of "sustaining member" and which make the president of the Technology Club Associated ex-officio third vice-president of the Association, were carried with few dissenting votes.

One of the important matters of business was the nomination of three men to be members of the Corporation of the Institute, subject to acceptance by the Corporation. Those men nominated for term members, who are to serve for five years, are: Frederick H. Fay '93, Franklin W. Hobbs '89, and Gerard Swope '95.

Cap and Bells of Williams opens series of five performances of "Niobe" this evening at the Academy of Music, Brooklyn.

"The track team-seems prosperous, but there is still a decided weakness in the pole vault and the weight events. There are only six men out for the hurdles.
