ONE OF THE first intercollegiate dual meets between the United States and Canada will take place February 21st at Montreal during the Ice Carnival. Representatives from Dartmouth and McGill have arranged for a four-mile relay race.

Doctor Wolfgang Ostwald, the eminent chemist, is delivering a series of lectures at Illinois this week. Doctor Ostwald is professor of Physical Chemistry at the University of Leipzig.

At the present time Harvard, Pennsyl
vania, Dartmouth, Princeton, Cor
nell, and Columbia have signed their intention of entering the Intercol legiate Glee Club Contest, which is to be staged at the Metropolitan Opera House in New York some time in May.

The University of Pittsburgh has opened a free "school of childhood" for children four to six years of age, in which it hopes to "combine the best features of the garden, the playground and the Montessori school."-Brown and White.

Five broke out in one of the fraternity houses at Purdue last weekend. Little damage was done although the fire caused much excitement.

The first issue of the Official Weekly Calendar of the University of Illinois appeared last Saturday.

The first part of the editorial page of the Cornell Daily Sun is being used for the purpose of bringing facts about alcohol to the attention of the student body. Emphasis is placed on the scientific phase of the subject, and information from only the most authoritative sources is used.

The Y. M. C. U., which is rated among the best in the state, will oppose the in
stitute men with a team chosen from among its able-bodied men on the same basis as the selection of the Tech wrestlers.

Manager Smythe-Martini has ar
ranged to hold at least one bout in each class and will be placed so far as possible for more if suitable material is available. This will probably be the case, he states, since the Union has a large number of men interested in the sport.

This is the first time that Tech has met the Union in a novice competition, although the Varsity has twice wrestled in competition with more experienced regulars. Dr. Provost, who has refereed several of the meets in which Tech has taken part this sea
son, represented the Union at the time he held the championship of New England at his weight, and at the present time does more or less coaching, in an amateur way, for its present team. Dr. Provost will re
fer the bouts on Saturday night.

To make ready for the next prac
tice will be held Wednesday, Thurs
day and Friday afternoon of this week. The practice will be held at the usual wrestling hours (four to six in the afternoon) and will at some extent take the form of elim
nation competitions between the men who desire to participate in the meet itself. Manager Smythe-Martin will supervise the work, and urges all to come out.

The meet will be held at eight o'clock, and no admission is to be charged. Everybody is welcome to attend.
