FRESHMAN DINNER
SATURDAY AT UNION
Speakers Will Be Announced To-
morow — Tickets on
Sale At Union.

Preparations for the Freshman din-
er are practically completed, and the
committee in charge promises an un-
usually attractive menu and list of
speakers. The names of the speakers,
with their subjects, will be announced
tomorrow. The dinner will begin at
six o'clock, and will close promptly at
eight, so the men can attend the
Tech-Harvard wrestling meet.

Tickets can now be obtained from
P. E. Hulburd, D. E. Bell, L. E. Wy-
man, and E. W. Curtin. After today
they will be on sale at the cage.

SENIOR PORTFOLIO
Sittings for Year Book Pictures
Still Desired.

The Senior Portfolio Committee
will have a table at the Union every
soon for the rest of the week and
desires that all 1914 men who have
not yet made appointments to have
their pictures taken should do so at
once. About half of the class have
already signed up and the remainder
should have their names in before
the middle of next week.

Men are requested to make a spe-
cial effort to get the proofs back to
the photographer as soon as possible
after making a choice, as a delay in
this matter will cause much annoy-
ance.

The fact that a man is not going
to graduate with the class does not
bar him from having his picture in
the Portfolio. All who entered as
members of 1914 and are taking the
majority of their subjects with the
members of 1914 and are taking the
Portfolio will be given. Any suggestions
in the Union on that day.

However, be held tomorrow. The bal-
notably that one of president, will,
the technology has been com-
and that the Technology-Harvard
Alliance will have gone into effect.

The Club picture was taken yes-
terday noon in the open space be-
tween the Rogers and Walker Build-
lots. There were about fifty in the
picture including Prof. Burton, Dr.
Nasmyth, and Mr. Blackstein, and it
is highly probable that no fifty per
sons ever came so near freezing as
did these.

GLEE CLUB REHEARSAL

The Glee Club will hold a rehearsal
in the Union today at five o'clock.
This meeting will be a short one as it
is necessary only to run through
the phonograph of songs for Friday's
concert. This will be the last rehearsal
before the concert and it is absolutely
necessary that every member of the club
be present. Absences will receive a
double fine.

NEW MONTHLY

The New Monthly is in need of
articles of any sort concerning other
colleges. There may be either criti-
cism or simply news items. All such
articles should be handed in as soon
as possible, in an attempt to be used
by the Central Association of Col-
ges as a first class institution.

Western Reserve University is
having a great discussion and con-
ference in an attempt to be used
by the Central Association of Col-
ges as a first class institution.

Illinois claims 134 foreign students
including 22 nationalities. There are
53 Chinese.

HOCKEY TEAM READY TO
MEET COLUMBIA FRIDAY

Tech's hockey team is in good
shape for the scrimmage with Colum-
bia which comes off this Friday even-
ning at the Arena. The game promis-
es to be as snappy as Columbia has the
distinction of recently defeating
Cornell. The return of Eichhorn, who
played on the Institute team last
year, materially strengthens the Tech
team.

By the new plan of leasing the
Arena, the management expects to get
enough money to hire a coach. The
tickets are selling fairly well. It is
up to every fellow to support the
team as any deficit incurred must
be met by the M. L. T. A.

TECH-COLUMBIA HOCKEY GAME FRIDAY NIGHT.

TOMORROW — Tickets on
Show Competition
SATURDAY AFTERNOON
All Candidates for Both Cast and
Chorus Should Report
For Tryouts.

Saturday afternoon at 2 o'clock
tryouts for cast and chorus of
Tech Show open. The title of this
year's book "A Royal Jonah," is very
good and the book itself is also
clever with many excellent lines.

The lyrics which were accepted
were of high standard so that catchy
and tuneful airs have been written
in every case where a piece is desir-
ed. This should make it all the more
interesting for those men who intend
to come out, for it is always pleasant
to sing a good song with plenty of
life and action to it. The competi-
tion will be a vocal one and there
will be no dancing at all.

The Show is one of the principal
activities in which both men and
women now is the time for any new man to expe-
rience a great pleasure in the life here.
To be sure, rehearsals take time, but
a man feels repaid for his work by the
pleasure he derives from his labor.

It is essential that every man com-
ing out for the competition be able
to carry this activity with his stud-
ies. If any man is in doubt about his
ability to do both he should not come
out.

Last year about one hundred or
more men were present at the first
trial and it is hoped and expected
that as many will be present Sat-
day. Stage Manager Hughes will be
in charge of the competition and ev-
ery man coming out is sure to get a
square deal.
