The Freshmen squad has been doing very good work this season as shown by the 14th.

A full schedule of work is laid out for the track team from now on. There are several meets scheduled for the team among them being the Holy Cross meet and the New England meet at Bowdoin at Bowdoin. The Holy Cross meet will be held at the Tech Field. There is also the relays at Providence where two teams will be sent. It is still a matter of doubt regarding the Pennsylvania Relay meet at Philadelphia.

The season will end up somewhere around the end of this month. The Dean's subject is, "Is Technology a College or a Professional School." After his speech Professor Talbot will give a fifteen minute talk on, "1881 versus 1914." The subjects of the two remaining speakers, Professors Russell and Miller, will be announced later. Each talk will be twenty minutes and with this arrangement the banquet will close at ten minutes to eight. An excellent turkey dinner is guaranteed to all who go.
