COMMUNICATION

Editor:
In reading your announcement concerning the Tech Show, I note that there is to be no dancing. Let us hope that this is a mistake, for what would Tech Show be without its price ballot and socialist dancing? The fact that the action takes place in Russia would lead us to expect nothing short of a Pavlova and morlock dance. And surely Tech can produce some undiscovered Pavlova!

What do you say, Mr. Stage Manager and Mr. Anthony?

UNDEGRAD.

CORRECTION

In the issue of February 12 it was stated that the M. T. A. A. would pay any deficit from the leading of the Arena for the Columbia game and their support will not fail to look eagerly for these stories each day.

This was an error, and is contrary to the facts.
