The Brand at the "Round Up" is "Bull!"

The cowboys of the West long ago discovered in "Bull Durham Tobacco" the "Making of the most satisfying cigarettes in the world" the kind they rolled for themselves with their own hands, to suit their own taste from pipe to pipe, and from cigarette to cigarette.

That homely Western term, "The Making" has become the most famous smoke-phrase in the world.

Today millions of men of all classes and occupations believe in the same clean-cut, manly type—find the same supreme satisfaction in the fresh, hand-made cigarettes they roll from "Bull" Durham.
