YISH-KA-BIBLE IS BIG SUCCESS

Both Show in Huntington Hall and Dance in Union Draw Big Crowds.

"Yish-Ka-Bible" arrived. Huntington Hall could not nearly hold the crowd that turned out and the affair was a success in every point; from the moment that the "curtain," consisting of Electrician Hughes' stage lights, went up, interest of the audience never waned. J. B. McDonell, '15, and E. T. King, '25, "late stars" of the Laundress company, started the show with their song and piano act, King putting in a little dance that pleased the crowd.

For the second act C. G. Shedd, '14, and H. O. Whitney, '15, made a big bit with the Argentine Tango and Maxixe. Shedd made a fine work but the way they danced was their way. The audience had their way. H. G. Morse, Peaslee, Salisbury, Stone, Guething, Hines, Hiller, Morrill, Morse, Paolino, Stolberry, Stone, Tread, Toot, Wells, J. M. White and Wilson.

Where is the '79 banner that should be on the Keith circuit? It is assumed that it will be there some time, but the students of '79 and '80 are looking for it with anxiety.

MAJOR FRANK H. BRIGGS APPOINTED REFEREE

At a meeting of the Executive and Advisory Committees of the N. E. I. C. A. A. held last Saturday night at 7:30, it was decided to hold the Track and Field Championships at the Stadium on May 22 and 23. The committee took into consideration the fact that there will be a large game between Harvard and Princeton on the twenty-third and decided that there would be no interference.

The committee elected Major Frank H. Briggs for referee. Major Briggs, who is a Tech graduate, is well known in athletic circles and is a member of the B. A. A. Last fall he was the referee at the New England Championship Cross Country Run at Hanover and at all the more important Tech meets he is a prominent figure. He is highly interested in the promotion of intercollegiate sports, as has been shown by his repeated financial contributions to Tech, and as he resides in Boston, he is undoubtedly one of the men best suited for the position of referee.

D. R. Rich, formerly of Dartmouth, has been kind enough to consent to a remittance to the advisory committee where he was of the greatest assistance during the past year.

Two records were broken at the first annual indoor handicap meet at Dartmouth Saturday.

The bare earth at the Stadium have been raised for the purpose of better drainage.

Where is the '79 banner that should be out in the Union?
