The Freshmen met out at the class meeting held yesterday in Huntington Hall in greater numbers than the other classes, about one hundred and fifty present. The new constitution was read by the president and accepted by a sufficient majority which is to be held later was mentioned.

The president called on Manager Stevens to speak on the outlook of the team for the coming season. A motion was passed to levy an assessment on each member of the class for the expenses of the baseball team. The president is to appoint a man from each section who is to collect the money in the beginning of the season.

College News
