FRESHMAN-LOWELL HIGH TRACK MEET TONIGHT

1914 Track Team Favorite To Defeat Lowell—Leave North Station at 5.27.

At 7.30 this evening the Freshman Track Team meets Lowell High School at Lowell. The men will leave on the 5.27 P. M. train from the North Station and are requested to get their dinners before leaving as there will be no opportunity for them.

The meet will be held indoors on Lowell's 100-yard track. Fast times are not expected as the banks are very steep and the meet will be handicapped by this somewhat. Although the team will be without the services of K. H. Day, the hurdler, and F. P. O'Toole in the dash it ought to win easily as Lowell is not as strong by comparative times as the Andover team which the freshmen defeated Wednesday.

Manager Dunlop has announced the following entries:

600-yard run, D. C. Thompson, L. Williams.

200-yard hurdles, E. D. Sewall, D. B. Hall.

Relay race; L. Cady, R. C. Erb, J. J. Doone, M. W. Gokey.

The meet will be held sometime next week to make final decision.
