SPRING CONCERT TO BE AT COOLEY-PLAZA
Tickets Will Go On Sale Tomorrow—Only a Limited Number Can Be Obtained.

The Spring Concert and Dance of the Combined Musical Clubs which will open the festivities of Junior week on the night of Wednesday, April 25th, will be held in the ball room of the Cooley-Plaza Hotel. Last year a large number of men were unable to secure tickets for the affair, in order to meet the demand for the music which has decided to engage a larger hall.

The concert will start promptly at 8 o'clock, and will be followed by a dance from ten until twelve. Two years ago the Clubs were unusually good, and with the return of Ollie, Banjo and Mandolin numbers and with the added attraction of a dance of the Plazans, manager claims this Spring Concert should prove the most enjoyable one that any Junior Week crowd has ever attended.

The tickets will be two dollars each, the same price as the tickets last year when the Concert was held at Cooley-Plaza Hotel. These tickets will be out tomorrow and may be obtained from any member of the Glee, Banjo or Mandolin Clubs. As it is desired that the number of couples on the floor be limited, only four hundred tickets will go on sale. There are no restrictions on the sale of these tickets, so that there will undoubtedly be a great number of underclassmen who will take advantage of this opportunity. For this reason the men going to the Prom should procure their tickets as soon as possible.

These preliminary tickets which will go on sale tomorrow can be exchanged for reserved seats anytime after April 1st.

FLETCHER ELECTED
New Hockey Captain Veteran on Team—Prospects Good.

R. L. Fletcher '25 was elected Saturday to head the hockey team next year. Fletcher has played in the forward line for the last three years, being one of the best players in the squad, and he played a strong game of hockey at Providence, his home town, during the spring meeting of the eastern colleges. Fletcher is a Sigma Alpha Epsilon man.

Although the past season was a failure in many ways, the fact that the small squad had to put up against all year without a paid coach accounted for the result. The veterans and the good new men developed this year, prospects for next season look much better.
