Mr. Kemp to Speak

Wednesday evening at 3:30, Mr. H. Kemp, ’15, will give an illustrated talk on “Recent Developments in Rio de Janeiro.” The Electrical Engineering Society extends an invitation to those who are leaving the Institute this term and expect to become engaged in any of the large engineering corporations.

Found

A gold fob left, some time ago, by a student at Dr. Maclaurin’s home has been found and may be obtained by the owner at the President’s Office.

Chairncy Hall Club

Nominations for the officers of the Chairncy Hall Club are due at the now at 3 o’clock this afternoon addressed to F. J. Wall, Chairman of the Nomination Committee. The officers are President, Vice-President and Secretary-Treasurer, and are to be filled by men from the Classes of 1915 and 1916. Three men will hold office for the rest of this year as well as next year. All nominations must be signed by at least five active members.

Communication

“Pardessus tout est l’humanite.” Be human! Ever since it has existed, the Cosmopolitan Club has afforded relaxation and amusement to hundreds of Tech men and their friends. Here’s your chance to show your support. March twenty-eighth is the date. Show some spirit and fill Hunt- ington Hall. Make the new Chairncy Hall Club proud of its rooms, and make the Club proud of its rooms. FYI H. 1917.

Dancing Rehearsals

This afternoon at 4:15 there will be a dancing rehearsal for the Tech Show, in the Union Dining Room. The first and second sardanistas as well as the Foy and Russian ballets are requested to report.
