FRESHMAN MEET (Continued from Page 3.)

of the evening. The starters were pretty well bunched most of the way with Howans trailing. About the eighth lap he circled the field and took the lead with Donnelly on his heels. On the last lap the Lowell captain let out a sport and broke the tape about five yards ahead of Donnelly. Brock came in third. The winner's time was 3 min., 55 sec., beating the record for the track by four seconds.

The 600 yard run was also fast. Heathcock won this event for Lowell in 1 min., 29 sec. Donnelly by a driving finish nosed out Bowers for second place. The score after this event was 31 to 23 in favor of the local team, with the high jump, mile run and relay race to come.

Tech took all nine points in the high jump. Sullivan and Golkey were tied for first place with a jump of 5 ft. 6 in. Deen got third place by landing 5 ft. 5 3/4 in. This put the 1917 team one point ahead.

The mile run was the second reoccurring highlight of the meet. Allen for Tech took the lead at the start and set a fast pace. Randall, the Lowell man, kept about five yards behind Allen until the last two laps when he went out in front. He kept his lead until the finish of the race. His time was 5 min., 4 3/5 sec., bettering the old time by 5 3/5 sec. Berry got third place for Lowell, thus placing the local team in the lead 37 to 26.

The 1200 yard relay race decided the meet. Bros got about a three yard lead on his man and Cady, Tech's second man, held this lead and gave it to Brock. On the second lap Brock's opponent fell on a corner and consequently Donnelly had no trouble keeping his lead over Bowers.

The summary:
38 yard dash—First heat: Won by Libbee of Lowell; second, Cadry of Technology. Time—3 4-5 seconds.
Second heat: Won by Ehr of Technology; second, Heathcote of Lowell. Time—3 4-5 seconds.
Final heat: Won by Ehr of Technology; second, Heathcote of Lowell; third, Cadry of Technology. Time—3 4 5/10 seconds.
1000 yard run: Won by Bowers of Lowell; second, Donnelly of Technology; third, Ehr of Technology. Time—2 minutes, 35 seconds.
300 yard dash: Won by Deform of Lowell; second, Ehr of Technology; third, Taylor of Lowell. Time—49 seconds.
Shot put: Won by Duval of Lowell; second, Sewell of Technology; third, Sowme of Tech. Distance—58 feet, 1 1/4 inches.
600 yard run: Won by Heathcote of Lowell; second, Donnelly of Tech; third, Bowers of Lowell. Time—1 minute, 39 seconds.

TECH SHOW ORCHESTRA WELL CONDUCTED

Mr. William Howard an Able and Efficient Leader—Violins Are Needed.

Tech men who happen to be in or near the Union on Wednesday afternoon will invariably spend some time listening to the orchestra rehearse. Those among them who are familiar with the technique of orchestra music are appalledly surprised at the results which the conductor is achieving this year.

Such results, however, are nothing more than is to be expected from a man with the ability and experience of Mr. William Howard, the leader. Coming originally from Montana, Mr. Howard graduated from the New England Conservatory of Music in 1891, and since that time has made a special study of several different branches of music. He was a pupil of Winterstein, the renowned violin master, and became a player of no mean ability on this instrument. He is a member of the Boston Festival Orchestra. For some time he has been a teacher of ensemble music in the Paetsian Pianoforte School.
