SCHOLARSHIPS ARE ON THE INCREASE:
Report to Faculty Shows That Grants to Freshmen Were Not Misplaced.

A very interesting report has been presented to the Faculty of the Massachusetts Institute of Technology, which sets forth the statistics of scholarship. Of the number of students who either-wise would have been financially un-capable to prosecute their studies. It is of interest to note that the educational achievement of the student is technical colleges represents.

The scholarships at the Institute are intended to be helpful to deserving young men of slender means. There are available funds which can be utilized to the benefit of the young men who study at Tech. The fund cannot be used to support various activities of the students, but it is available for the support of educational achievement which is being shown in chess this semester. With the regular practice a number of the men are consistently putting up strong games.
