Tuxedo — the Most Enjoyable and the Most Healthful Smoke

The most enjoyable smoke is a pipe. But many men deny themselves this pleasure because they have had unhappy experiences with pipe tobaccos.

Likely you have paid 35 cents to 50 cents for a tin of "fancy mixture," and it burned your mouth or throat, or was unpleasantly strong.

Too bad — but you got the wrong tobacco. The hundreds of thousands of men who have tried Tuxedo have found the answer to their smoke problems. Tuxedo is the mildest tobacco made. It cannot bite the tongue or dry the throat. You can't get any better tobacco because nothing better grows than the mellow, perfectly aged Burley leaf used in Tuxedo.

If you try Tuxedo for a month and cut out other smokes, you will not only have had the best month of smoking you have ever had in your life, but you will have made a mighty big saving in your pocket money!
