FOOTBALL:

ANNUAL SPRING CROSS-COUNTRY RUN
Train Leaves Back Bay At Two-Forty—Large Number Expected To Run.

The spring run of the Hare and Hound Club takes place today and is expected to draw a large number of men. In addition to the regular squad, a large number of men who have not been doing any running, have signified their intention of coming out. This year marks a new departure in the form this run will take. Hereafter it has been an inter-course race, but this was so con- sidered that interest lagged. Beginning this year the squad that goes out will be divided up into two teams of equal strength making the race more even. Since every man that goes will score it will be an incentive to every man to do his best no matter how far he is.

Next Saturday comes the Fresh- man-Sophomore race. Today's run will be the first and only chance for men who intend to enter the inter-class to get acquainted with the course, which is likely to be changed somewhat since last year as many houses are being built and roads cut at the start. In addition many men have been induced to consider taking part in the race as it will be excellent train- ing for them. The fine weather of Holy Week and the Corporate Rev. F. C. Tanderburn, Vicar of St. Stephens. Plans for the observance of Holy Week and the Corporate Communion for Tech men on Easter will be discussed.
