PRECOCIOUS INFANT

Yearling Prints Startling Truths Mention Approaching Fate.

A bustling young reporter of THE TECH recently discovered in an out-of-the-way corner of one of our buildings, a partly legible attempt at a letter, on thin wrapping paper, in the printed lettering characteristic of a tender age. Verily, out of the mouths of babes and sucklings cometh forth wisdom! Some of the truths which the reporter managed to decipher were so startlingly apt that, in order to bring them to wider attention, we here reproduce the coherent parts:

"The technique could not play ball. It were a shame to strike a helpless little one and leave him to writhe in the filthy dust of TECH Field. When said little one grows insolent & forgets to hold proper respect for his superiors, Public Opinion, that great infringement of tender years is more than can be borne. It is plainly evident from the reference to tender years that the second paragraph refers, like the first, to technique 1915 which was born last year. Of course the mention of championship, the reinstatement of proper respect, refers to the approaching cresset day when everyone knows is to descend upon the rascal infant during Junior Week and return him to the innocuous desuetude from which he was snatched by a casual note in last Monday’s TECH.

TECHNIC TREASURER

The Technique Electoral Committee, at its meeting yesterday afternoon, chose J. P. Uhlinger as Treasurer for Technique 1916. Uhlinger is a member of Course IV, and has been prominent in student activities. He was on the Track Squad in his Freshman year, and was also a candidate for Track Manager. This year he was manager of the record-breaking Relay Team, and was also Chairman of the 1916 Pipe Committee, and is now a member of the Electoral Committee. Uhlinger is a member of Phi Kappa Sigma, and calls Johnstown, New York, his home.

TECHNIQUE BAND

The Technique Band will meet Thursday at five o'clock in the Technique Office.

1916 BASEBALL

Captain Smart of the 1916 baseball team wishes to announce to all the candidates that outdoor practice will be held on Wednesday and Thursday afternoons at the field.

AWARDED GOLD MEDAL

Decisions of First Competition for New French Architectural Prizes.

The awards for the Prizes of the Société des Architectes Diplômés Français were made late yesterday afternoon. The first prize of the gold medal was given to Frank Stevens Whearty of Salem and the second prize, the silver medal, to Ernest Hayward of Winter Hill. The subject of the competition was "An American Commemorative Monument in the Ecole des Beaux Arts, Paris." The outside judges of the designs were M. Dupouy, Mr. I. P. Lord and Mr. William Perry. The credit for the institution of these prizes belongs to Professor LeMonier, of the Institute, and the reestablishment of proper respect, refers to the approaching cresset day when everyone knows is to descend upon the rascal infant during Junior Week and return him to the innocuous desuetude from which he was snatched by a casual note in last Monday’s TECH.

FOURTH YEAR

The faculty notices that, in order to bring them to wider attention, we here reproduce the coherent parts:

THE TECH, BOSTON, MASS., WEDNESDAY, APRIL 1, 1914.

WALTER HUMPHREYS, Registrar.

Scholarships.

Each applicant for a scholarship (except a State scholarship) for the coming year should hand in his application blank at the Registrar’s Office, and leave his name before April 11th on a special card enclosed in an envelope at the Registrar’s Office. (Blanks and cards may be obtained at the Registrar’s Office.) Applications dated since January 1st need not be duplicated but the applicant should notify Professor Dewey in writing if he desires to apply for a scholarship grant for next year.

With the same state the class, course and all free hours for consultation. Each applicant will be notified by mail in regard to date selected for consultation.

State Scholarships.

Applications should be made to the State Board of Education before the first day of July on blanks to be furnished, or at the State House.

While the State Board of Education has full control of the award of the State scholarships, it is customary to submit all applications to the Faculty for endorsement as to the student, and for each student as other data in the possession of the Faculty may warrant. For this reason, while the Scholarship Committee has no authority to request conference or further information from applicants for State scholarships, it will always be glad to receive and consider all information that may be furnished. In any case, students intending to apply for State scholarships are requested to notify the Registrar to that effect.

WALTER HUMPHREYS, Registrar.
