FRESHMAN-SOPHOMORE RACE THIS AFTERNOON

Spring Hare and Hounds Run at Same Time—Outcome In Doubt.

This afternoon the annual Spring run as well as the Freshmen-Sophomore run will take place. The men will leave the Back Bay Station at 2.40. For the benefit of those men who live out of town, the race will start at about 2.30 from in front of the Police Station at Highland.

As stated in Friday's TECH all the men will be divided into two teams on the way out, and each team will elect a captain so that each man running will score in this event. A separate score however will be made for the Freshmen and Sophomores. Only the first twelve men will score, the first six on the winning team getting their numerals.

On account of the poor condition of the ground, due to the recent rains, the run will be slow and no man need fear giving out and running for lack of sufficient practice.

The outcome of the Freshmen Sophomore run is in considerable doubt for the men have been training rather irregularly and in the practical runs held so far this spring, the pace has been kept down so as to make it possible for the slowest man to run with the bunch. For this reason little can be said of the comparative strength of the two teams.

FRESHMEN RELAY TEAM

Men Working Hard for Coming Meet.

The 1917 Relay Team is eagerly looking forward to the Spring Meet. Practically all the men who ran on Field Day are out. Besides these many new men who started track work with the indoor season have reported and are looking for places. Among these are Bell, Shrock, Swell, Cadiz, Thompson, and Donnelly. All three have been point winners in the various indoor meets. The team however will be without the services of K. D. Day, but the addition of the new men will compensate for this loss. Last fall the team ran under the former record, although being defeated by the 1916 team. At the addition of the new men will make the team at least four seconds faster, the Freshmen will be in the race all the way.

The men have been training faithfully all winter and have improved rapidly under Conch Xandy's coaching. They have been in four meets and given a good account of themselves in all. The chief desire of the team is to gain a victory over the Sophomores on the track.

FRESHMAN-CHESS TEAM

Harvard Freshmen Defeated in Close Match.

The Tech Show poster, which is being distributed this week, has attracted a large amount of attention. Boston merchants praise it highly, and several who do not make a practice of displaying posters, and who at first refused to exhibit even the Tech show poster, changed their minds when they saw the design.

The original was selected from among those that were submitted in competition. All pieces considered, it was regarded by experts as one of the best posters put on the market. This is the book evidences the great care that the board spent Friday afternoon the Technique having a most excellent portrait of the finest of the engraver's art has produced a most excellent portrait of the year. The first time, they were enabled to see Technique as it will finally appear. From the first page, containing the dedication, to the last page of advertisements, the book evidences the great care taken of the book to be in such recognition as would be expected in the dedication of the book.

Seniseger of Harvard in a long, drawn out game.

WRESTLERS READY FOR INTER-CLASS MEET

Both Teams Have Been Picked—Matches Will Be For Class Numerals.

Tonight the Freshmen and Sophomores will have their first opportunity to show which class contains the more skilled men at the mat game. The meet which will be held at the GYM is strictly a novice affair and no varsity men from either class will compete. The captains of both teams urge their classmates to show proper spirit by turning out and cheering.

The Freshmen appear to have an advantage through the substitution of wrestling for Gym. work. The Sophomores, however, have many men who showed up well last year and whose abilities are not known. These "dark horses" are the main reliance of the Sophomores and upon whom they depend for success.

(Continued on Page 4.)

FRESHMEN BASEBALL

Team Plays at Hyde Park Today—Train Leaves at 1.44

The Freshmen baseball team will play Hyde Park High School at Hyde Park this afternoon. The team will leave the Back Bay Station at 1.44 P. M. The following men will make the trip—Coach Franks, W. L. Mod- ding, R. S. Smith, L. Cadiz, G. W. Hen- derson, H. P. Simpson, T. N. Rowe, G. R. Stevens, D. E. Bell, H. B. Gard- ner, D. Kendall, G. S. Toy, H. F. Mc- Quaid, W. B. Newell, H. H. Thompson, A. P. Parnsworth and Ballantine.

1915 GAME CANCELLED

The Ridge Technical School baseball team has cancelled the game with the Tech Juniors, for tomorrow, on account of the poor condition of the grounds. The Junior team will play the Tech Field next Tuesday afternoon at four o'clock.

CATHOLIC CLUB

Notices have been sent out during the past week, to all Catholics in the Institute, announcing the annual Confirmation Sunday as Palm Sunday. The members will attend the nine o'clock services in the Cathedral at the Holy Cross, corner of Washing- ton and Union Park streets. After the services, Steward Colton will serve lunch in the Cathedral school hall. Cardinal O'Connell is expected to address the members.

SOPHOMORE BASEBALL

The candidates for the 1916 baseball team will practice at the Field this afternoon. Up to date only a few men have reported and all those who expect to play in the game against the Juniors should report to- day. The new men are showing exceptionally well and the members of last year's team will find it hard work to retain their jobs.
