SPRING MEET AROUSES INTEREST OF CLASSES

New Records Expected To Be Made Because of Quality of Entrants.

The Interclass Track Meet which is to be held Friday, April 17, at Tech Field promises to be one of the most interesting and most eventful meets ever held at Tech Field. The competition in the dashes and in the 440-yard run will be especially thrilling as the records especially held at Tech Field will be one of the feature events. The men who have reported for this event are: T. H. Gootch '14, Zimmole '14, W. H. Spencer '15, K. Dean '16, D. P. Thompson '17 and Willimas '17.

There are plenty of other men who may give some surprises in these events, but they have not yet reported for practice. It is believed that the ten more days of training will bring out several more men who will increase the competition.

TECHNIQUE ELECTIONS

Roper, Stocking and Stowell on 1915 Year Book Board.

Yesterday the Technique Electoral Committee chose three more men on the Board which will have charge of next year's year book. George Roper was elected Society Editor, Harvey C. Stocking, Art Editor, and Raymond M. Stowell, Assistant Art Editor.

Roper is best known to his classmates for his work on the football team. He was substitute in the first year, and a member of the team last fall. He was recently chosen Circulation Manager of the Technique monthly. He comes from Steuben- ville, Ohio, which is the home town of Mr. Stocking. Stocking is from Brooklyn, N. Y.

There are many Andover alumni who think that this year's class may do more for the Technique than any since it was founded. The Union. There are many Andover alumni who think that this year's class may do more for the Technique than any since it was founded.

ANDOVER ALUMNI

Annual Banquet To Be Held Friday Night.

The Annual Banquet of the Boston Andover Alumni Association will be held next Saturday, April thirteenth, at 6:30 p. m., at the Harvard Club, 374 Commonwealth avenue.

There are many Andover men at Tech, and the Association hopes that the governing board are now in order for candidates whose names are to be approved by the Executive Committee. The governing board consists of the chairman, vice-chairman, secretary, treasurer and the members endorsed. The nominees should be in the hands of the governing board early in May. The large increase in membership from eighty to one hundred and seventy-five in the past year forecasts a development of many new possibilities through the very active interest shown by the new men. Furthermore, the affiliation of this society with the A. S. M. E. not only enables its members to come in closer contact with many prominent men in Engineers' circles, but to call upon them for interviews during the year.

INSTITUTE COMMITTEE

Important Meeting To Be Held This Afternoon.

The Institute Committee will hold a meeting this afternoon at 2 p. m. in Room 19, Eng. C. Mr. F. H. Hunter, chairman of one of the Committees of the Alumni Council, will explain to the Committee about the proposed changes in the Alumni Advisory Councils of the various student activities. Several important changes will be suggested, particularly in regard to the Advisory Council on Athletics. Furthermore reports on the Union, Field, and Bulletin Board Committees will be heard.

T. C. A. CABINET

On account of the Class Meeting Thursday at 4:30, the meeting of the T. C. A. Cabinet scheduled for that afternoon will be cancelled. All business due to come up will be deferred until the next regular meeting, Thursday, April 26.
