PRESIDENT REVIEWS
REGIMENTAL PARADE

Major Cole Expresses Pleasure
At Quality of Drilling
Yesterday.

President and Mrs. Macaulain, to
gether with several of their friends, reviewed the regiment yesterday af-
afternoon. The regiment was first
formed, followed by the regimental
parade and review by Dr. Macaulain.
The Rifle Exercise as prescribed by
Major But's Manual and "double
quick" time were demonstrated. All
of the evolutions passed off to the
complete satisfaction of the visitors
and Major Cole was also very much
pleased with the drilling.

Following the review, the regiment
was inspected by Col. Hamilton and
ex-Col. Taft. Finally, the commissions
were given out to the commissioned
officers.

OUTCOME OF LONG
DISTANCES UNCERTAIN

(Continued from Page One)

Because so many men are entered
in the two above events it has been
said that the two-mile contest will
take too long to win and will have no
make a great difference in the final
affairs.

The same men are in many cases
entered in two events and this will
make a great difference in the final
outcome of each race and make the
chances much stronger for the men
of less experience.

The Tech records for these events
are as follows: 880-yd. run, 1 min.,
58 sec.; P. D. White, 1911. Mile-run,
4 min., 36 sec.; R. B. Germain, 1913.
Two-mile run, 5 min., 52 and four-
minute sec.; R. M. Udall, 1907. Good
weather and a fast track these
marks may be equalled and in all
cases it is certain that the meet will
be tightly contested.
