SECOND CONVOCATION
TOMORROW AT 1:30
President of the Alumni Association To Speak. Better Relations.

Tomorrow at one-thirty in Huntington Hall there will be a big student convention at which Mr. Jasper Whiting of the Class of '89 and President of the Alumni Association will speak. In the past much connection between the Student body and the Alumni has been secured by means of the Institute Committee and Mr. Whiting is much interested in furthering the common interests of both and it is with this in mind that he will speak tomorrow.

Mr. Whiting was a member of Course III and since his graduation has been interested in several Chemical Processes and is now President of the Whiting Company. Two years ago he made a voyage to the East where acting as a special agent of the Institute he made a study of the educational conditions in those parts and Japan and China especially. He has been interested in several Chemical processes and it is with this in mind that he

 declard a success by those who watched the afternoon performance of "A Royal Johnnie" from a position which enabled him to catch each phrase and movement of those on the stage. His opinions are not those of professional critic or an outsider, they are simply a few reminiscences of what he deemed a successful production.

Perhaps the most noticeable features of any theatrical performance are the stage arrangements and the costume, which in this case were admirable with one exception, the song buffalo. The effect of the "Feldspar" black dress and gold tinsel was decidedly crude. Of course, outside of the work of F. Hastings Foxthe and the other principals, the dancing constituted the chief feature of the performance and the work of Arnold O. Whitney and J. Paul Gardner cannot be overestimated. The song "Thank God!" from the "Dancing in the Ruins," was heard with considerable applause.

1917 BASEBALL LOSSES

By our Special Correspondent: The latest advice along the Rio Grande announces that the guerillas along the border are thirsting for the blood of the innocent schoolboys of the United States. The 126th Massachusetts Reserves (by courtesy) or the M. I. Cadet Corps is reported to have been ordered to sail from Charles-town Navy Yard on the U. S. S. Clineza. This boat is at present out of commission and in drydock undergoing the process of obtaining an entirely new hull, but it will be ready to set sail by the time the full six companies of valiant freshmen are ready to leave. It is said that the vessel will then be placed in commission as a collier and although it is not a speedy boat it will probably dock at Vera Cruz before General Huerta has left for Paris. As was expected, the hundred went to O'Hara, the freshman star, who beat out Wilson, '14, the veteran center man. Loomis, '16, finished third and Wilkins, '14, fourth. In the 220, Loomis repeated his performance in the Freshman Sophomore meet and came in first in 22.1 seconds, with O'Hara, Wilson and Wilkins crossing the tape in the order named. At the 300-yard mark Loomis was way ahead, but O'Hara pressed him hard at the finish. T. H. Geithling, '14, again had things all his own way in the quarter. He started five places from the pole and had to work his way through the field before he could get the lead, but reaching the first place at the 300-yard mark, he opened up a five-yard lead that he kept to the tape. Peasley, '14, ran a good second with Thompson, '17, third and Dean, '26, fourth. This race won Geithling the Rockwall cup. Dennelly, '17, showed up well in the half mile. Brock, '17, took the lead at the gun but on the second lap Donnelly picked up and finished first in 2 minutes 7.5 seconds. Brock took second place with Gurney, '15, and Pol- ford, '14, next. C. T. Geithling, '14, took the Hatch rider cup in the mile in four minutes 37.5 seconds. Milliken, '14, got the first lap and then Cook, '16, took the lead. On the third lap Giebling came up and, sprinting into the lead, he crossed the tape with Cook close behind. Benson, '16, was third and Brown, '16, fourth.

CADET CORPS LEAVING ARMORY

DECLARED A SUCCESS BY THOSE PRESENT—FINE PROGRAM.

Junior Prom

(Continued on Page Three)

In a drizzling rain the freshmen baseball team was defeated by the Gloucester High School nine. The score was 8 to 7, the 1917 men losing out in the ninth inning. In spite of the weather conditions the game was interesting. The team still feels confident of victory over the Sophomores. Practice will be held this afternoon at four at the field.

TECH SHOW AS VIEWED BY AN UNDERGRADUATE

Dancing and Music of "A Royal Johnnie" Given a Special Mention.

This article is neither a criticism nor a review. Its object is to present a few of the afterthoughts of a Tech technology undergraduate after witnessing the Tech Show 1914. The writers viewed the afternoon performance of "A Royal Johnnie" from a position which enabled him to catch each phrase and movement of those on the stage. His opinions are not those of professional critic or an outsider, they are simply a few reminiscences of what he deemed a successful production.

JUNIOR PROM

Declared a Success by Those Present—Fine Program.

Last Friday evening the Junior Prom was held in the large ballroom of the Copley Plaza. The reception was held from 7:30 until 9, after which the dancing commenced. Supper, consisting of bouillon, chicken salad, rolls, fancy rais and cake, was served at exactly twelve. The dancing continued until 1 o'clock. Selections from "A Royal Johnnie" were included in the dance program.

SENIORS AGAIN WIN SPRING MEET

Sophomores Second and Freshmen Third—Collegian New Star in Field Events.

The Seniors maintained their position of class outdoor track champions last Friday when they captured 48.2 points in the Spring Meet. The Sophomores were next with 38 points, the Freshmen third with 26.1 and the Juniors finished last with 29 points. The fair day brought out a good crowd to see the close races. Some of the running events were finished in fast time and the weights showed improvement.

As was expected, the hundred went to O'Hara, the Freshman star, who beat out Wilson, '14, the veteran center man. Loomis, '16, finished third and Wilkins, '14, fourth. In the 220, Loomis repeated his performance in the Freshman Sophomore meet and came in first in 22.1 seconds, with O'Hara, Wilson and Wilkins crossing the tape in the order named.
