IN CHARGE OF THIS ISSUE
R. B. Stringfield, '15; H. S. McQuaid, '17

The occasion to be held this noon marks the first application of our co-operative ideal to the relations between the student body and the alumni association. Mr. Whiting has already distinguished himself by his championship of this idea, and may be expected to give the students something interesting as well as interesting.

The attractive new calendar for student activities now in view in the Union is much more adequate than the one heretofore in use and reflects great credit on the Union Committee. We hope that the activities will do their part by making it useful as well as ornamental.

The excellent support accorded the Spring Meet shows the appreciation of the student body for the unusual interest attaching to the event. Particularly notable was the energy displayed by the classes in preparation for the relay, resulting in the most interesting race of its kind that we have ever had. Probably Cross meet on the second of May promises to be of particular interest. We hope it will be correspondingly well supported.

IN CONNECTION WITH THE COMING RELAY CARNIVAL AT THE UNIVERSITY OF PENNSYLVANIA IT IS INTERESTING TO NOTE THAT THIS IS THE FIFTEENTH AFFAIR OF ITS KIND HELD BY THE UNIVERSITY. THIS CONTEST WAS INSTITUTED IN 1895 BY FRANK B. ELLIS, AT THAT TIME A MEMBER OF THE UNIVERSITY OF PENNSYLVANIA TRACK COMMITTEE.

AN ANALYSIS OF THE RELAY RACE CHAMPIONSHIPS IS INTERESTING. IN THE UNIVERSITY OF PENNSYLVANIA TRACK COMMITTEE.
