Profits Greater Than Had Been Expected—"Tech Man" Encouraged Repeatedly.

A crowded house greeted the last performance of Tech Show 1914 which was given at Wadsworth last night. The profits which are to be turned over to the College are not known but much more money was taken in than was expected.

"Tech Man" was especially good and made a hit with the audience. The song "Tech Man" was received enthusiastically and was noticed several times. The confetti which fell from the ceiling of the evening and the girl's in the audience were much surprised that men could make up so well as female characters. The stage was rather small but it detracted very little from the over-all effect. The performace was over in time for everyone to return on the 11:25 train.

COMMUNICATION

To the Editor: Many the writer presumeth your columns against a certain depraved spirit which has to and Corporation. Mandating an taxation contained greatest work of recent days is there- book to the wife of the man whose toons on pages 402 and 403. Which blot three of its pages, I refer recently issued Technique? It is to test through your columns against a rather small but it detracted very little that men could make up so well as made a hit with the audience. The was expected.

The evil effect of giving expression to the observing world do anything but sling mud at a sisterlet university. Can doubtf be great. Technology has a repui- more creditably on the whole. The and cartoons have managed to get a few long works, but as yet the two upper classes have attempted nothing in the way of long rows. The crew has been slight ly handicapped this week also by the absence of Coach Stivers, who has been away to attend the funeral of a relative. He is expected back by the end of the week.

The dates of the races have been now definitely decided upon and will not be the same as those published in THIS TECH on Wednesday. The first race will be held on Saturday, May 2 and the finals on Saturday, May 9. The races will start promptly at 4 o'clock. The start will be made from the Cottage Farm Bridge and the finish about 150 feet below.

ENTRY LIST NOW OPEN

Spring Tennis Tournament Starts Soon—Leave Names at Cage.

In addition to the team matches already scheduled for this spring, the Tennis Association is to conduct its semi-annual tournament entry list is now open and will remain so until Tuesday, April 28 at 6 p.m.

This tournament is for the Techno- nology Championships in doubles and singles, the winners to be awarded suitable insignia. The way in which players show up in this tournament may have a decided bearing upon the selection of the team, so it is imperative that all now intending to try for the team enter.

The fee is, as usual, fifty cents for singles and seventy-five cents for doubles. The fees must be paid at the time of entering. Entries may be left at the Cage for the Tennis Association, or given to F. L. Harlow, '24, G. W. Blakeley, '24, or J. H. Carr, '16.

SPORTING NEWS

Reports are prevalent that the Technique baseball team will not present themselves Saturday afternoon at Tech Field. THE TECH has received no official notice of this fact and as the line-up has been given to our manager they will of course feel the same if they are absent.

INTERCLASS REGATTAS

COMING MAY 9 AND 16

New Dates Now Definitely Decided—Last Practice Hindered by Rough Weather.

In spite of being greatly handicapped by the rough water which has prevailed on the Charles River Basin the last four or five days the Tech crew have been out regularly and have learned to handle their shells very creditably on the whole.

The Freshmen and Sophomores have managed to get a few long workouts, but as yet the two upper classes have attempted nothing in the way of long rows. The crew has been slight ly handicapped this week also by the absence of Coach Stivers, who has been away to attend the funeral of a relative. He is expected back by the end of the week.

POSITIONS AVAILABLE

ON M. I. T. DAILY

Freshmen Will Advance to the Heads of Departments Next Year.

Opportunities for advancement on THE TECH to those in the Fresh man class who show up at the meet- ing next Tuesday are unusually good. It is those Freshmen who come out for the paper this year who will stand in line for promotion to the heads of the different departments next year. Both the Circulating and Advertising Departments lack assist- ants at present and the News Depart- ment is likewise short of men.

The meeting will be at 12.30 in the lower office of THE TECH. Men from the various departments will be there to outline the work on the paper and place the candidates in the particular department in which they wish to try out. Any who wish to come out and have not this hour available may apply at either office during any evening of the week and receive information that they may desire.
