THE Track team is to be congratulated on its showing at Bowdoin. The strength of the sprints even without O'Hara is most encouraging.

Cook's time of 10.55.2 is not a Tech record but he will undoubtedly better his time by the necessary two seconds by the end of May.

The Oxford relay team was certainly given a close call by Penn's quartet. Altho the last mile was run in 4.35 it was from all accounts one of the most spectacular in years. Tokyo found his match in Madiera, much to the surprise of many, who thought the former would run away from the Pennsylvania flier at the finish.

Altho a scrub meet was scheduled for the field for Saturday afternoon it had to be abandoned because only six men showed up.

Tech's main weakness as shown in the meet at Brunswick is the weight department of the field events.

LaRocca's vault of 10 ft. 7 in. shows considerable improvement.

The golf team was again defeated by Holy Cross, losing 4 to 1. The distance of the meet at Brunswick is the weight department of the field events.

LaRocca's vault of 10 ft. 7 in. shows considerable improvement.

COMMUNICATION

To the Editor of THE TECH:

It was with regret that I saw that an attempt to refrain from an appearance of self-advertising was interpreted as an effort to disclaim the authorship of the criticism contained in the communication in Friday's THE TECH, which I signed "A Junior." It is to be hoped that my signature below will relieve the feeling evidenced in a later communication.

If I may be allowed a word upon the subject under criticism, I will say that I disclaim connections with Tech and so not the fault of Technique. If my communications are typical of Tech, I would not be disowned.

Genuine "Bull" Durham Smoking Tobacco

(Enough for forty hand-made cigarettes in one stick.)

The inimitable flavor of "Bull" Durham cannot be duplicated in a ready-made cigarette—the delicate, elusive fragrance would escape long before the cigarette is smoked. It can only be reined in the bulk of tobacco in the "Bull" Durham sack—and enjoyed in the fresh-rolled "Bull" Durham cigarette.

Learn this distinctive form of tobacco enjoyment today—"roll your own."

FREE Illustration Booklet, showing how to "Roll Your Own," and a Book of cigarette papers, will be sent free, on any address in U. S. or postal reply. Address "Bull" Durham, Durham, N. C. Room 120.
