SOPHS PLAY TODAY
Boston English High Expected To Put Up Stiff Game.

The Sophomore baseball team goes up against Boston English High this afternoon at the field at four o'clock. Several chits have been made in the line-up of the Sophomores and will be tried out today and may be used if successful, against the Freshmen in the next game of the interclass series. Today's battery will be Lovelace in the box with Gingrich behind the bat. This will be Guglielmo's first tryout and it is hoped that it will strengthen the weak spot in the team. Topley will cover shortstop and Merritt will be shifted to third base. Holbeig, Krieger and Ross will hold down the field positions. The remainder of the line-up will be as usual,

Efficiency of Regiment To Be Judged by Army Officer.

Yesterday's drill was the last before the Government inspection, which comes next Wednesday. At that time the Cadet Corps will be reviewed and inspected by Capt. S. J. B. Schindel, of the Coast Artillery Corps. The standing of the Institute in military instruction will be based upon his report.

All men who have not been permanently excused from all drill by the Faculty are expected to be present in the drill of their respective companies. No lowering physical disability will not be allowed to take part in the drill, but they must be present, unless actually too sick to attend classes that day. A doctor's certificate of disability will not be accepted as excuse for absence.

Those who are too ill to be present must submit an excuse the same day. Anyone who will be present, unless actually too sick to attend classes that day. A doctor's certificate of disability will not be accepted as excuse for absence.
