FRESHMEN HANDILY TRIM SOPHOMORES

Game Characterized by Heavy Hitting on Both Sides With Few Errors.

Yesterday afternoon the Freshman Baseball Team evened matters up in their series with the Sophomores by defeating them 11 to 10 at the Tech Field. Each game gives each team one win and a third game must be played to settle the series. Hitting on both sides was heavy making a large score. The players who excelled in this respect were Potest of 1916 and Simpson of the 17's. Potest's homer over the centerfield fence was very good.

After getting the Sophomores out in order the Freshmen started right smart and did not let up until they had five runs. 1916 got two in the next two innings but they did not help matters as 1917 had two of her men cross the plate during this time. This went on until at the end of the seventh inning the score was 11 to 7 in favor of the Freshmen. In the eighth the Sophomores added one. They came pretty near tying up the score in the ninth as a result of two wild throws by McQuaid, but DeMeritt ended it up with a pop fly.

The game was marred with an accident when Lovejoy was hit in the head with a pitched ball. Although he was not knocked unconscious he was greedy for a little while. The blow fortunately did not result seriously.

CHANCES GOOD IN NEW ENGLAND MEET

Times in Holy Cross Meet Compare Favorably with Other Colleges.

The Track Meet held last Saturday with Holy Cross convinced the management of the team and Coach Kanaly that chances for Technology being a strong point winner in the coming intercollegiates are pretty good. A comparison of the times made by other New England colleges in a number of track meets held last Saturday shows that as far as the Institute is concerned this year's Championships will be most agreeable.

Although Rice, formerly of Powder Point and now of Maine, did not make extra fast time in the dashes he will easily take first place in both dashes on the twenty-second, according to the "dopesters." Loomis and O'Hara will be very strong and ought to show up in their usual good form. When Captain Goethling and Lee of Holy Cross again race each other the running will be close. The New England record of 49 2-5 sec. is held by Lester of Williams. Saturday's times were 51 1-5 sec. Guething has covered the distance in 50 4-5 sec.

In the 800 yard run C. T. Guething made a time of 2 min. 21 4-5 sec. This compares favorably with other times made Saturday, the best of which was by Ball of Maine in 2 min. 3 4-5 sec. and Coon in the mile made a time of 4 min. 22 2-5 sec. Guething has covered the distance in 4 min. 50 4-5 sec. In the 50 yard hurdle C. T. Guething has covered the distance in 5 4-5 sec.

In the 110 yard high hurdles at Orono in 16 1-5 sec. and low hurdles in 20 2-5 sec. "Tom" Hoff did the former in 16 2-5 sec. and the latter in 20 4-5 sec. Considering that Hoff had just recovered from a sickness his times were excellent.

Every track man feels encouraged by the results of Saturday and is doing his best to help Technology win the New Englands.
