condition. They splashed and battered badly and were slow on the catch. At the end of the mile the upper classmen were between four and five boat lengths in the rear of the Juniors.

The third event, the race between the Freshman and Sophomore seconds, was a walk away for the Sophomores. The Freshmen were all used up before the race was half over. At the half-mile mark they lost their stroke and lost a whole length. In addition to the four lengths that they were already behind before they were straightened out again. On the last quarter mile the Freshmen picked up and rowed the last three hundred yards in good form, going under the bridge five lengths behind the Sophomores.

Next Saturday the winning Freshmen and Juniors will meet for the class championship. The times made Saturday were about even, so a fine contest is expected when these two crews fight it out.

FUNDRY TRIP
Members of the Monday class in Foundry will visit the Walker Pratt Foundry at Watertown this afternoon, meeting at the plant at 1:45 p.m.

To reach the plant, take subway trains from Park St. station to Harvard Square, and change there for a train to Watertown. The running time from Park Street is 25 minutes.

Reveries of the Freshman

"How well do I remember the day I first struck college, with my soft, damped chicken sandwich left over from my box of home lunch, and expecting every minute to be ducked in the pond, and then stood on my head. Do I remember Fatima Cigarettes? Here have one—I’ve stuck to them ever since those good old days. Nothing better than Fatima."

Fatima Cigarettes have become the biggest selling brand of cigarettes in America—the loyalty of its smokers to these pure, choice tobacco cigarettes is unprecedented in the history of cigarettes.

Plain package—so "good ones!"
